

Addition Race

A board game for 2 to 4 players. Add to move ahead!

How to play

a die

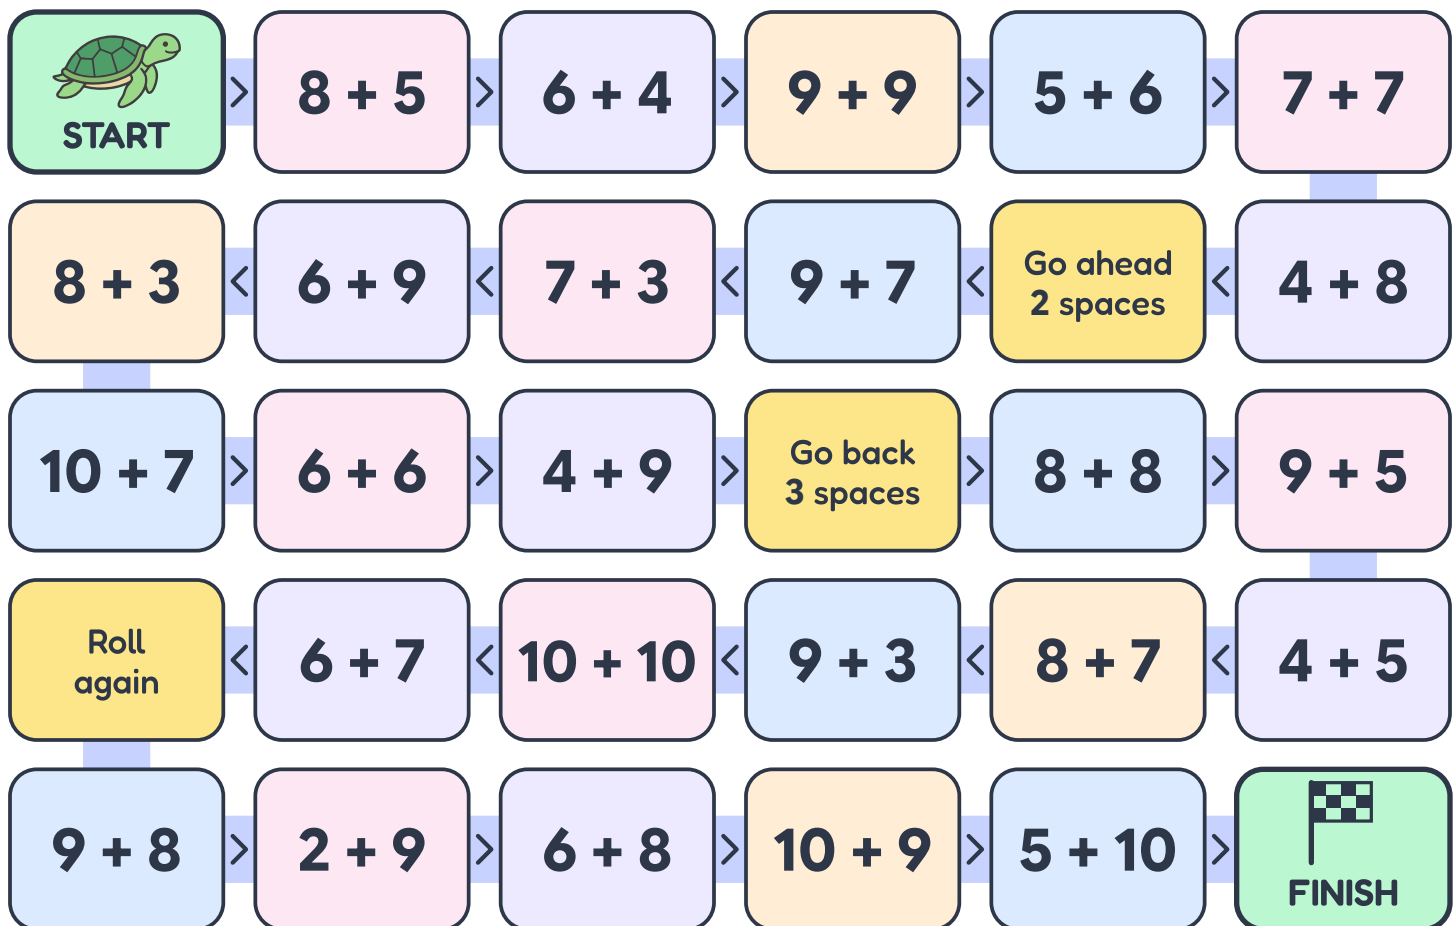

a pawn each

2 to 4 players

- 1 Put the pawns on START. Take turns: roll the die, move that many spaces.
- 2 Say the sum on the space you land on. Your partner checks it on the answer sheet. Wrong? Go back to where you were.
- 3 Landed on Go ahead, Go back or Roll again? Do what it says.
- 4 The first player to reach FINISH wins!

 Cut out the pawns.

Race to the Top

Roll two dice. Add. Color a box above the sum.

How to play

2 dice

crayons

- 1 Roll two dice and add the dots.
- 2 Find the sum at the bottom of the page. Color the lowest empty box above it.
- 3 Keep rolling and coloring. Which sum gets to the top first?

Bump!

Roll three dice and add. Bump your partner off the board!

How to play

3 dice

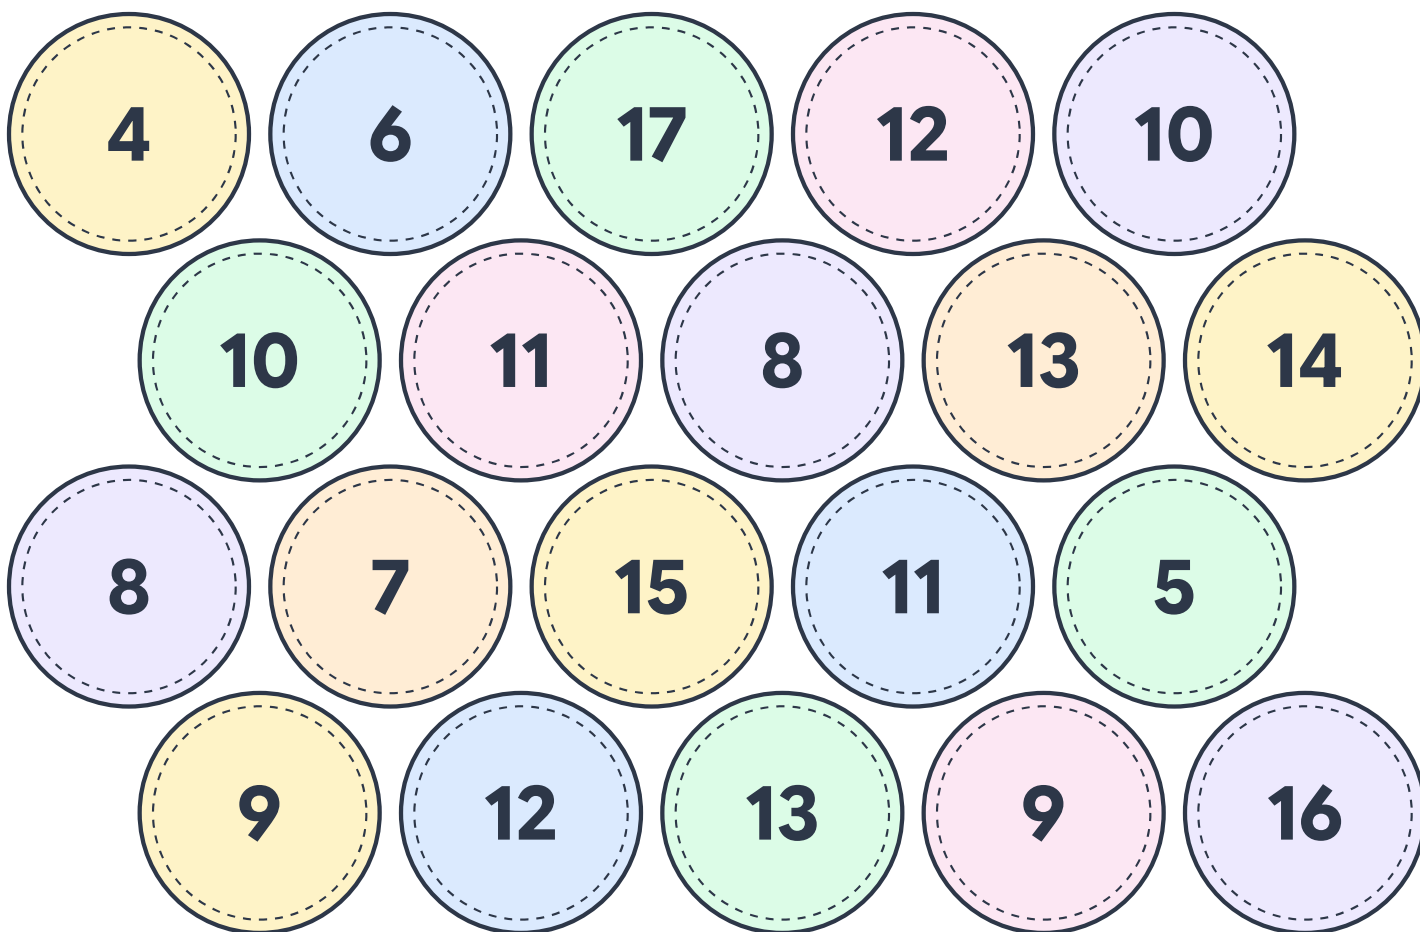

10 counters each, 2 colors

2 players

- 1 Take turns. Roll three dice and add them. Look for a ten or a double to add first!
- 2 Put one of your counters on a space with that sum.
- 3 Is your partner's counter on it? Bump it off! Is your own counter on it? Put a second one on top. Now no one can bump it.
- 4 No space you can use? Your turn is over. The first player to put out all **10** counters wins.

Bigger Sum Wins

A card game like War: the bigger sum takes both cards.

How to play

scissors

2 players

- 1 Cut out the cards. Mix them up and deal them all out, face down.
- 2 Both players turn over their top card at the same time and say the sum.
- 3 The bigger sum takes both cards. Same sum? Turn over one more card each.
- 4 Play until the cards run out. The player with more cards wins.
