earned

gift

1.

Grandma gives Leo \$5.

earned

gift

2.

Sam rakes leaves. He gets \$3.

earned

gift

3.

Ava gets \$10 for her birthday.

earned

gift

4.

Ben washes a car. He gets \$4.

earned

gift

5.

Zoe sells lemonade. She gets 30¢.

earned

gift

6.

Raj gets \$1 from his aunt.

earned

gift

Jobs and Earning Money

What skill does each job need? Circle the picture.

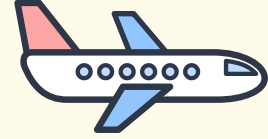

Example

chef

cooking

flying a plane

1.

bus driver

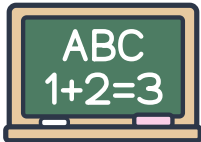

painting

driving

2.

teacher

reading

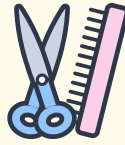

fixing cars

3.

cashier

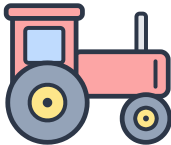

cutting hair

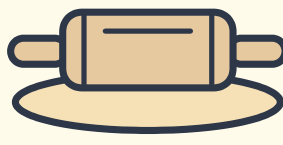

counting money

4.

farmer

baking

growing plants

5.

vet

caring for pets

building

Jobs and Earning Money

Each child did a job. Count the money earned. Write how much.

Example

Mia walks the dog.

She earned

6 ¢

1.

Sam sweeps the floor.

He earned

 ¢

2.

Ava waters the plants.

She earned

 ¢

3.

Ben rakes the leaves.

He earned

 ¢

4.

Kim washes the car.

She earned

\$

5.
