

Build and Compare Shapes

Pre-Check: show what you know.

Score _____ / 6

1. How many sides and corners?
Write the numbers.

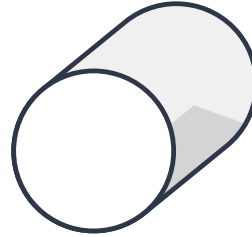

sides

corners

2. Does it roll, stack or both?
Circle the answer.

rolls

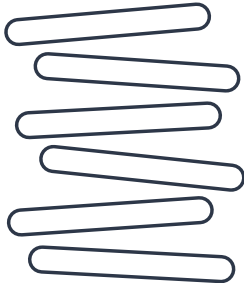

stacks

both

3. Which shape can these sticks make? Circle it.

hexagon

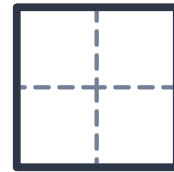

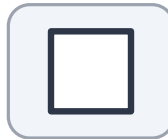

square

triangle

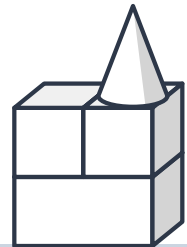

4. How many squares fill the big square? Write the number.

5. Draw a square on the dots.

6. How many blocks are in the build? Write the number.

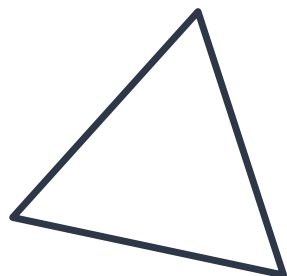

Build and Compare Shapes

Unit Review (page 1 of 2)

- 1. How many sides and corners?
Write the numbers.**

Tip: touch each corner as you count.

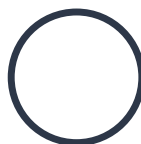

sides

corners

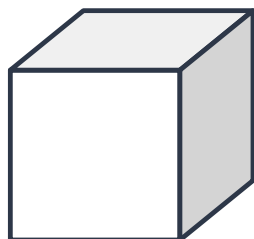

- 2. Circle every round shape.**

Tip: round shapes have no corners.

- 3. Does it roll, stack or both?
Circle the answer.**

Tip: flat faces stack; curves roll.

rolls

stacks

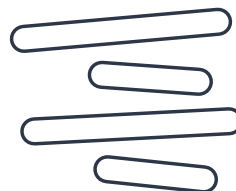

both

- 4. Which shape can these sticks
make? Circle it.**

Tip: count the sticks, then the sides.

triangle

rectangle

circle

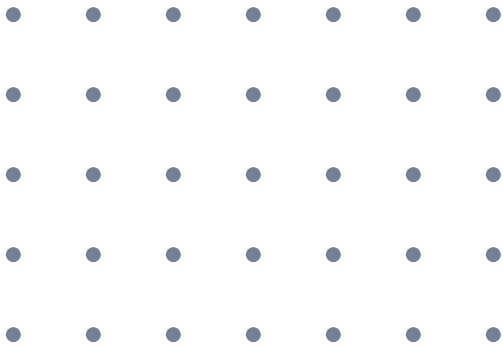

Build and Compare Shapes

Unit Review (page 2 of 2)

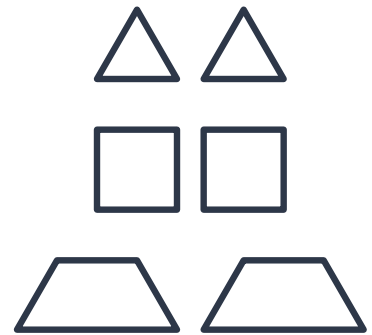

5. Draw a rectangle on the dots.

Tip: **2** long sides and **2** short sides.

6. Which two shapes make the big shape? Circle them.

Tip: the **2** shapes must fill it.

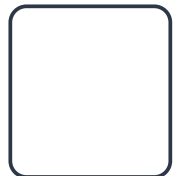

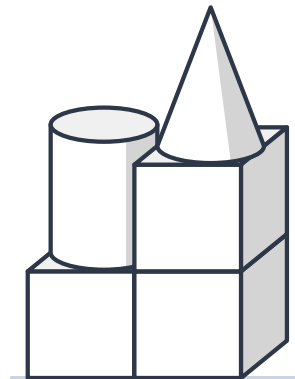

7. How many squares fill the rectangle? Write the number.

Tip: touch each piece as you count.

8. How many blocks are in the build? Write the number.

Tip: touch each block as you count.

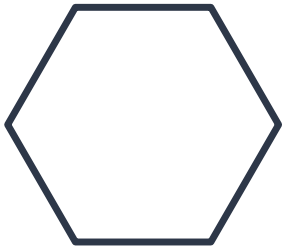

Build and Compare Shapes

Unit Test, Form A (page 1 of 2)

Score _____ / 8

1. How many sides and corners?
Write the numbers.

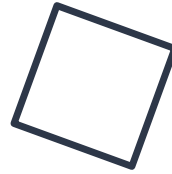

sides

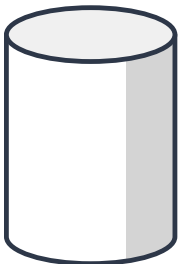

corners

2. Circle every shape with 4 sides.

3. Does it roll, stack or both?
Circle the answer.

rolls

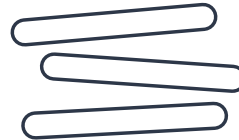

stacks

both

4. Which shape can these sticks make? Circle it.

square

triangle

circle

Build and Compare Shapes

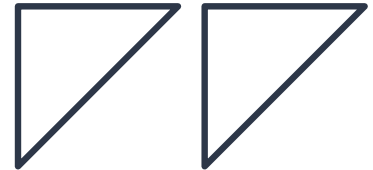

Unit Test, Form A (page 2 of 2)

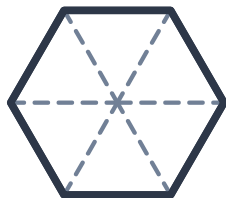

5. Draw a triangle on the dots.

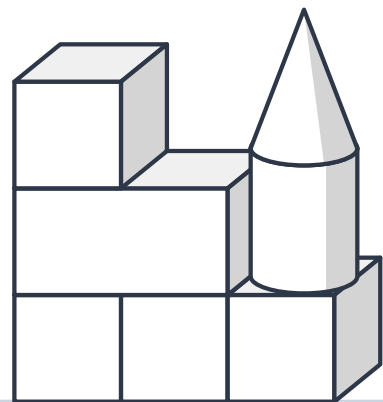

6. Which two shapes make the big shape? Circle them.

7. How many triangles fill the hexagon? Write the number.

8. How many blocks are in the build? Write the number.

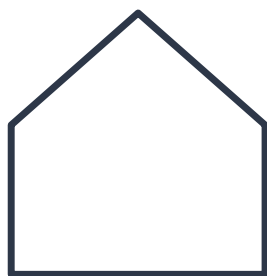

Build and Compare Shapes

Unit Test, Form B (page 1 of 2)

Score _____ / 8

1. How many sides and corners?
Write the numbers.

sides

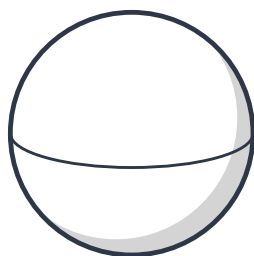

corners

2. Circle every shape with 4 sides.

3. Does it roll, stack or both?
Circle the answer.

rolls

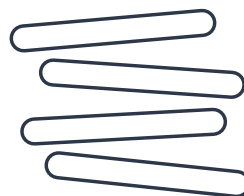

stacks

both

4. Which shape can these sticks make? Circle it.

circle

square

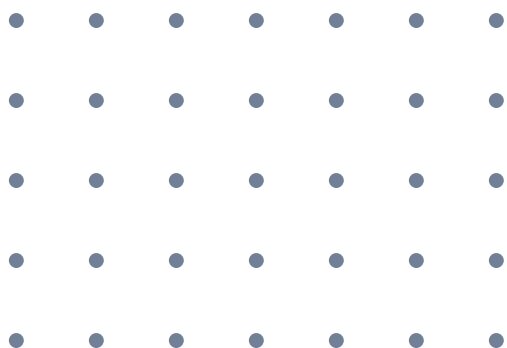

triangle

Build and Compare Shapes

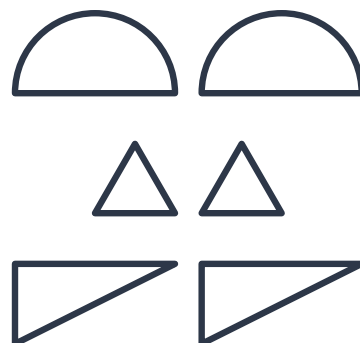

Unit Test, Form B (page 2 of 2)

5. Draw a square on the dots.

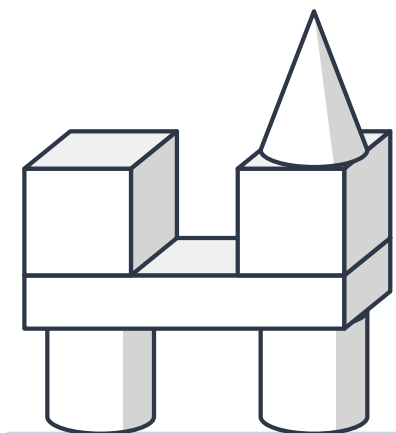

6. Which two shapes make the big shape? Circle them.

7. How many triangles fill the big triangle? Write the number.

8. How many blocks are in the build? Write the number.
