

Likely and Unlikely

Will it happen? Circle likely or unlikely.

Is it likely or unlikely?

Example

The sun comes up in the morning.

likely

unlikely

1.

A lion sits at your desk.

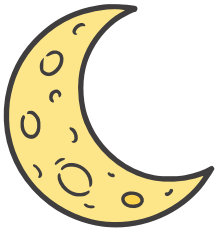

likely

unlikely

2.

You go to sleep tonight.

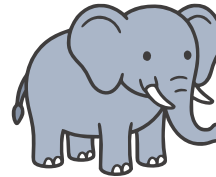

likely

unlikely

3.

An elephant fits in your backpack.

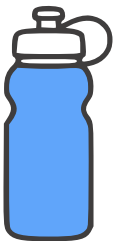

likely

unlikely

4.

You drink water today.

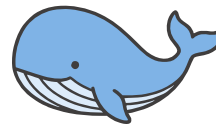

likely

unlikely

5.

A whale swims in your bathtub.

likely

unlikely

6.

A giraffe rides your bike.

likely

unlikely

7.

You eat food today.

likely

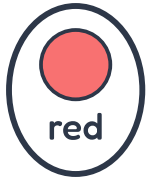

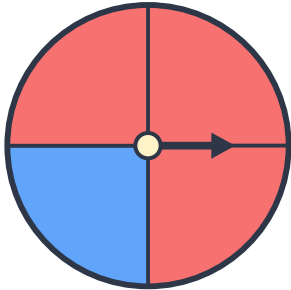

unlikely

Likely and Unlikely

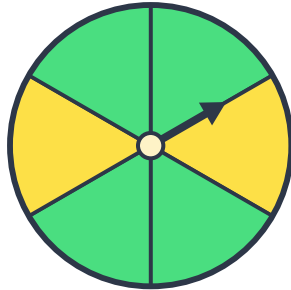

Circle the one you are more likely or less likely to get.

Circle the color the spinner is more likely to land on.

Example

1.

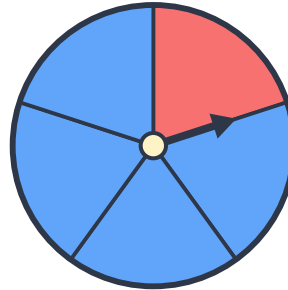

yellow

green

2.

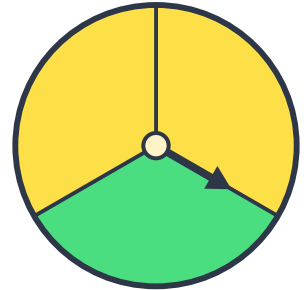

blue

red

3.

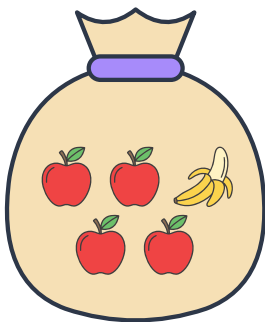

green

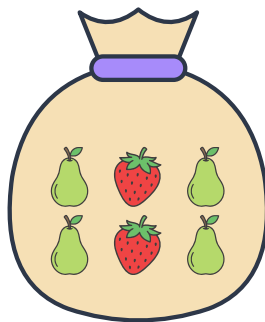

yellow

Circle the fruit you are less likely to pick.

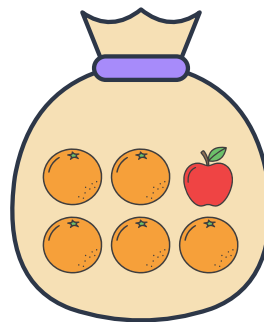

Example

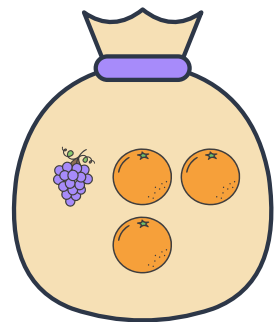

4.

5.

6.

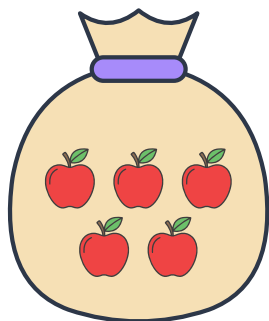

Likely and Unlikely

Circle impossible, possible or certain.

Can it happen?

Example

Pick

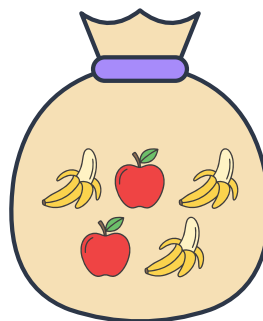

impossible

possible

certain

1.

Pick

impossible

possible

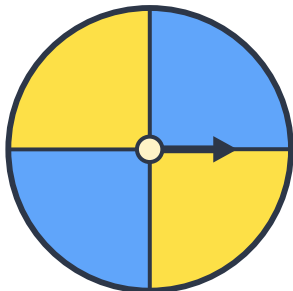

certain

2.

Spin

red

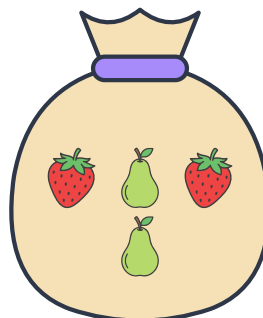

impossible

possible

certain

3.

Pick

impossible

possible

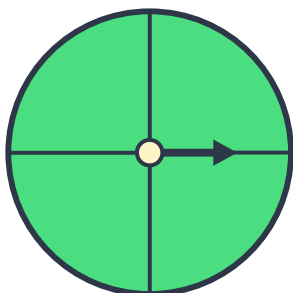

certain

4.

Spin

green

impossible

possible

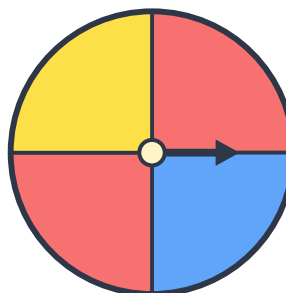

certain

5.

Spin

blue

impossible

possible

certain

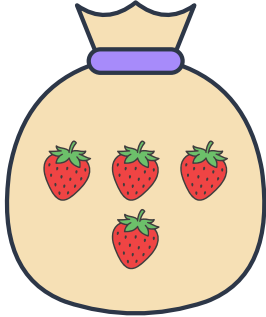

Likely and Unlikely

Circle never, sometimes or always.

How often does it happen?

Example

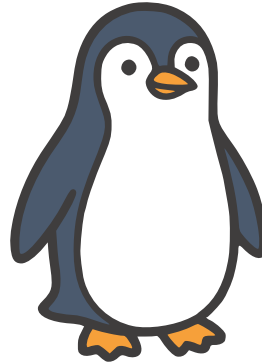

You pick a strawberry.

never
sometimes
always

1.

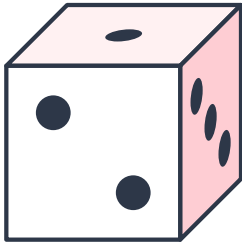

A penguin flies up in the sky.

never
sometimes
always

2.

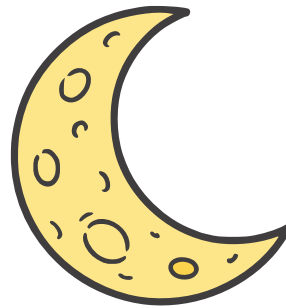

You roll a 6.

never
sometimes
always

3.

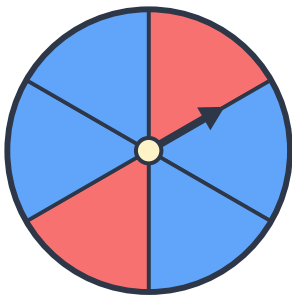

Night comes after day.

never
sometimes
always

4.

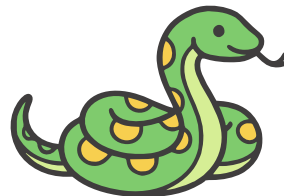

You spin red.

never
sometimes
always

5.

A snake walks on its legs.

never
sometimes
always

Likely and Unlikely

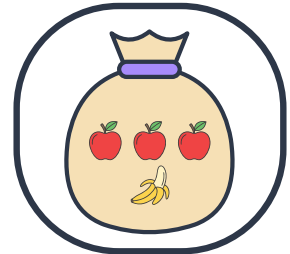

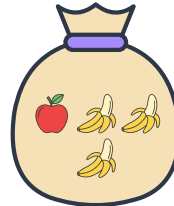

Choose the best bag or spinner. Then color a bag.

Which one is better? Circle it.

Example

You want an apple.
Which bag?

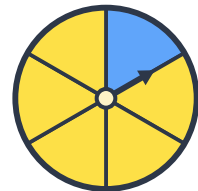

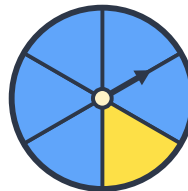

1.

You want to spin
blue. Which
spinner?

blue

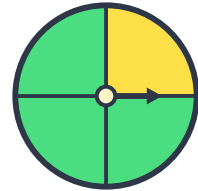

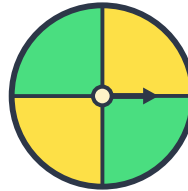

2.

You do not want
yellow. Which
spinner?

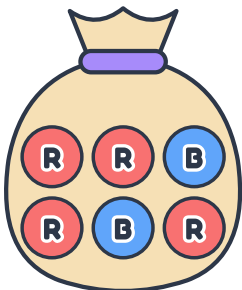

yellow

Color the counters red or blue to make it true.

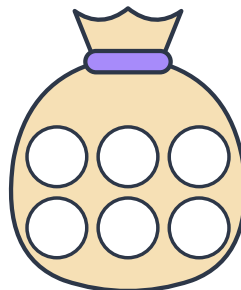

Example

Red is more likely
than blue.

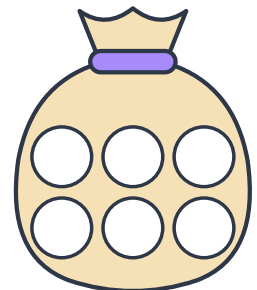

3.

You will always pick
blue.

4.

Red is less likely than
blue.

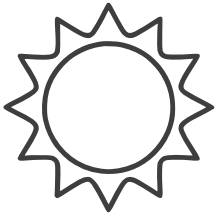

Likely and Unlikely

Will it happen? Circle likely or unlikely.

Is it likely or unlikely?

Example

The sun comes up in the morning.

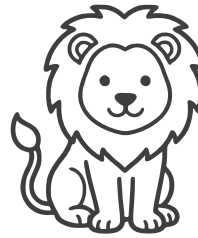

likely

unlikely

1.

7.

You eat food today.

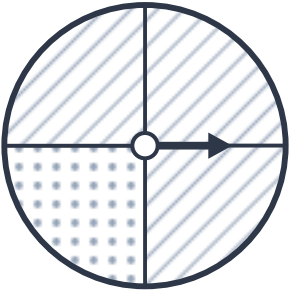

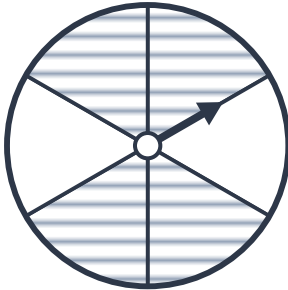

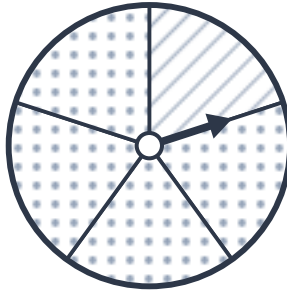

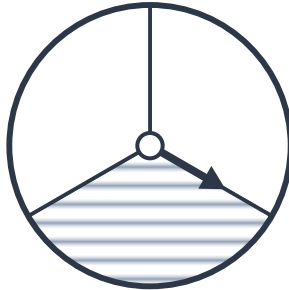

likely

unlikely

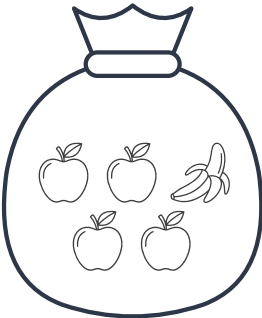

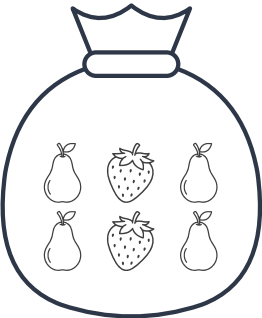

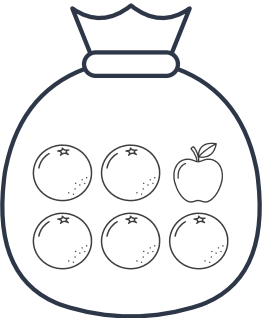

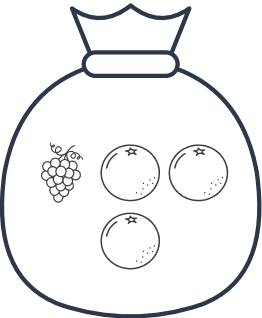

Likely and Unlikely

Circle the one you are more likely or less likely to get.

Circle the color the spinner is more likely to land on.

Example	1.	2.	3.
			
 red	 yellow	 blue	 green
 blue	 green	 red	 yellow

Circle the fruit you are less likely to pick.

Example	4.	5.	6.
			
 	 	 	 

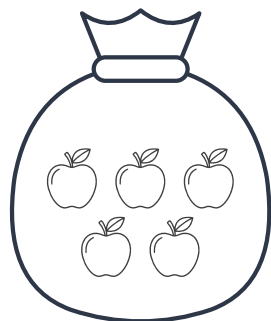

Likely and Unlikely

Circle impossible, possible or certain.

Can it happen?

Example

Pick

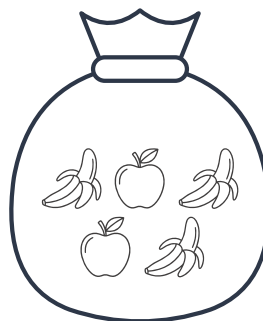

impossible

possible

certain

1.

Pick

impossible

possible

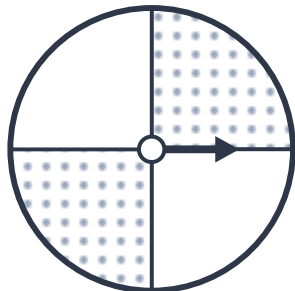

certain

2.

Spin

red

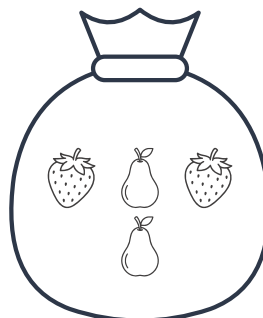

impossible

possible

certain

3.

Pick

impossible

possible

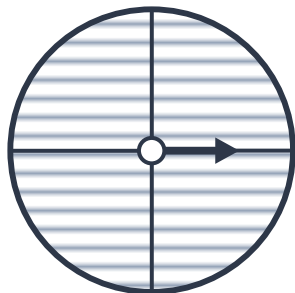

certain

4.

Spin

green

impossible

possible

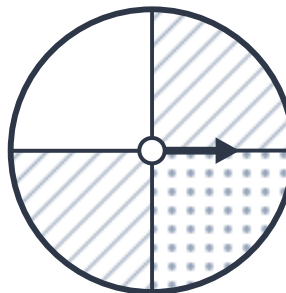

certain

5.

Spin

blue

impossible

possible

certain

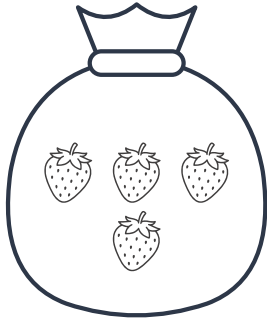

Likely and Unlikely

Circle never, sometimes or always.

How often does it happen?

Example

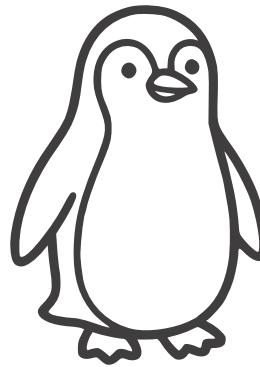

You pick a strawberry.
