Place Names and Maps

Many US place names come from Native languages.

These state and city names came into English from the languages of the Native nations who lived there first, and still do. People who study names do not always agree on a meaning; the table says so when they differ.

Place name	Nation or language	Meaning
Michigan	Ojibwe	big lake
Mississippi	Ojibwe	great river
Minnesota	Dakota	mni is water; sources differ on the rest
Ohio	Seneca	sources differ: great or good river
Chicago	Miami-Illinois	a wild onion
Massachusetts	Massachusett	at the big hill
Utah	named for the Ute people	sources differ

1. The map's Big Lake means the same as which state's name?

Example **Michigan**

2. The map's Great River means the same as which name?

_____

3. Which city's name means a wild onion, like the map's Wild Onion Creek?

_____

4. Which state's name is about a big hill?

_____

5. In which square of the map is Big Hill?

_____

6. How many names in the table come from Ojibwe?

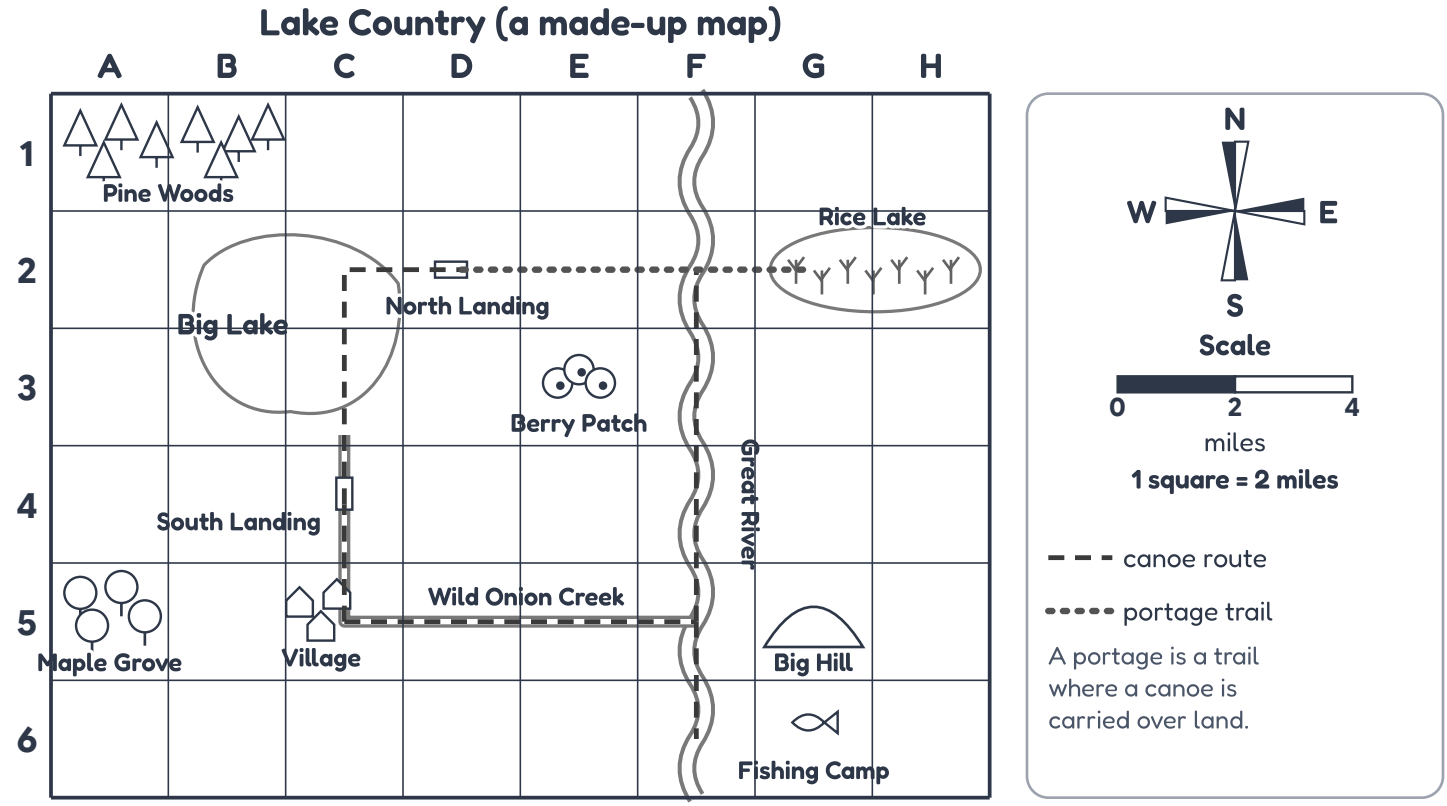

_____
