

Montessori Number Rods

Count the parts of each rod. Write the number.

Example

3

1.

2.

3.

4.

5.

Montessori Number Rods

Draw a line from each rod to its number.

Example

7

1.

1

2.

8

3.

4

4.

9

5.

5

Montessori Number Rods

Write 1 by the shortest rod. Number them in order to the longest.

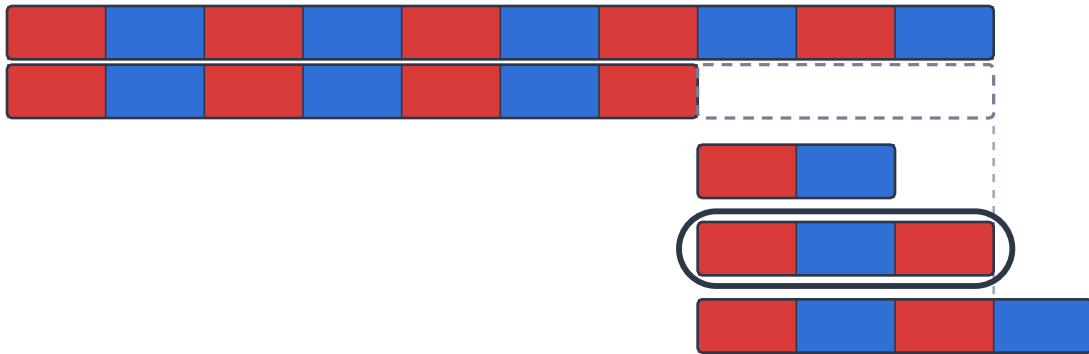

Example

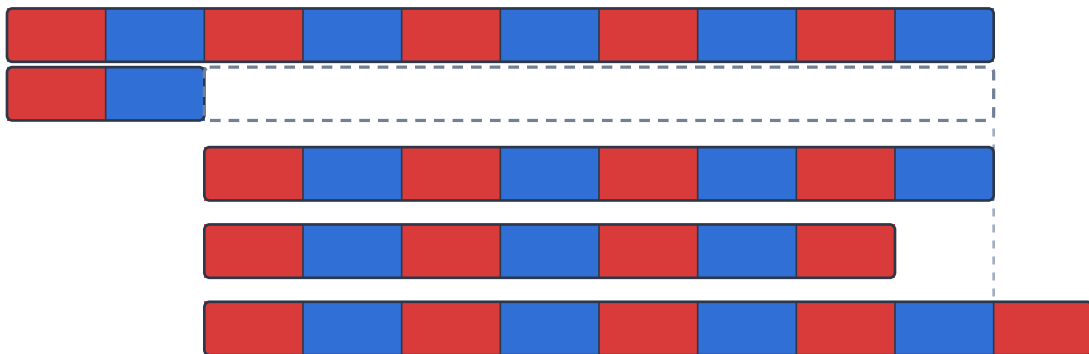

Montessori Number Rods

Circle the rod that fills the gap to make 10.

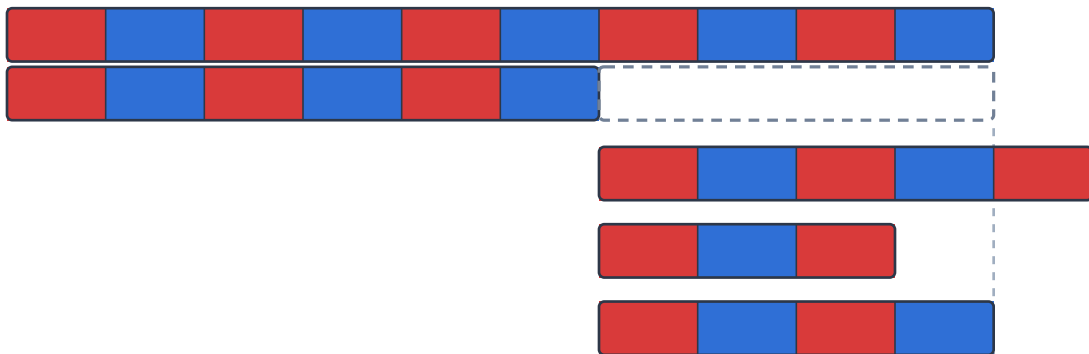

Example

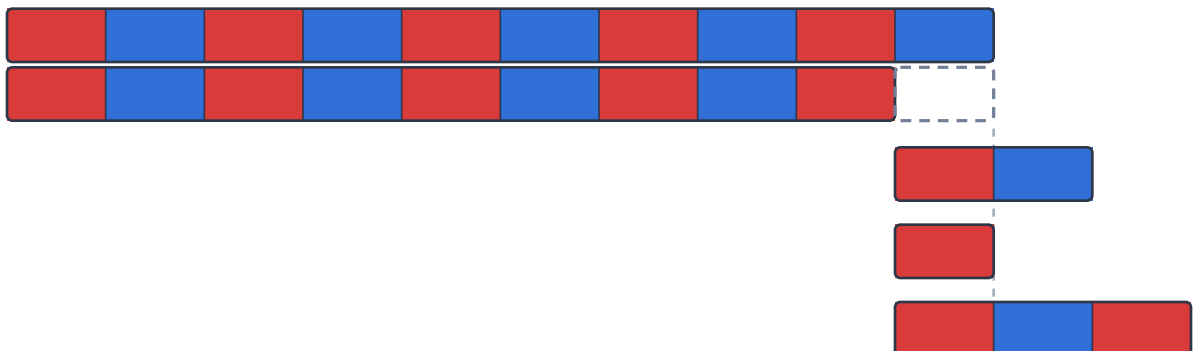

1.

2.

3.

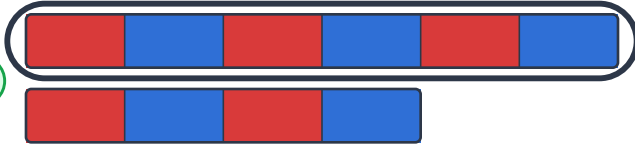

Montessori Number Rods

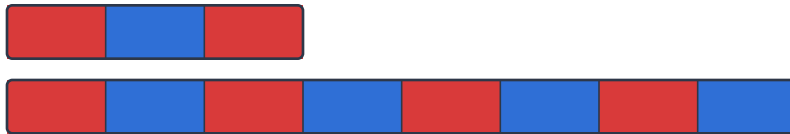

Circle the longer rod. Then color a rod one part longer.

Which rod is longer? Circle it.

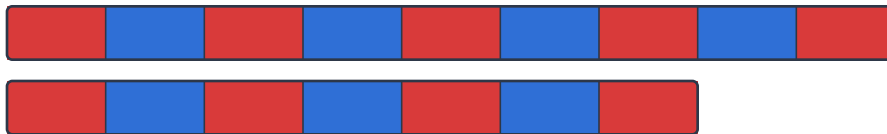

Example

1.

2.

3.

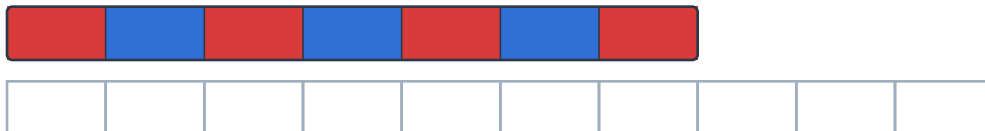

Color the squares to make a rod one part longer.

Example

4.

5.

Montessori Number Rods

Count the parts of each rod. Write the number.

Example

3

1.

2.

3.

4.

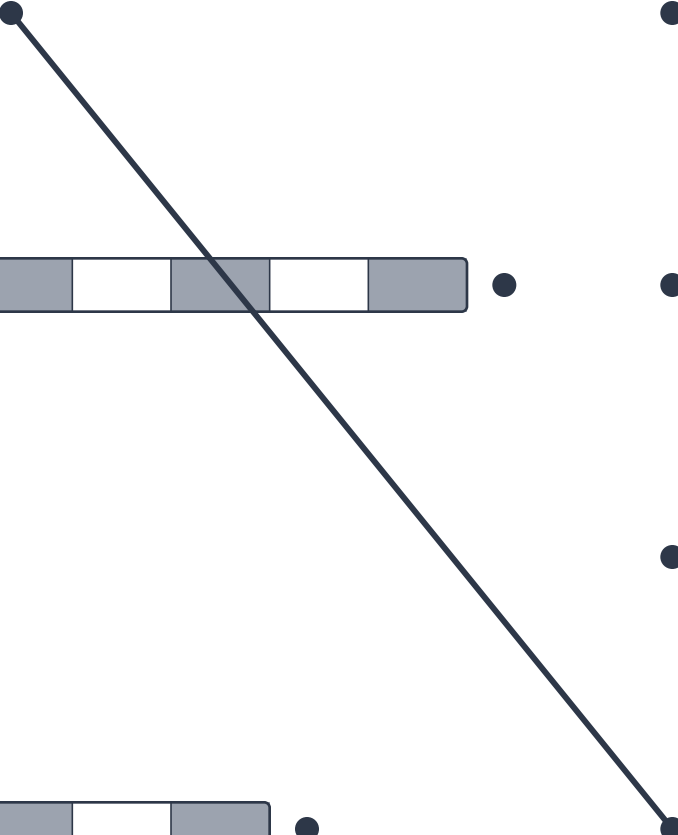

5.

Montessori Number Rods

Draw a line from each rod to its number.

Example  •  • **4**

1.  • • **1**

2.  • • **8**

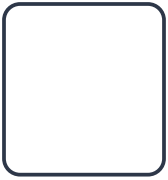

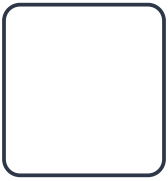

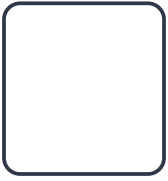

3.  • • **9**

4.  • • **5**

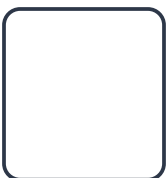

5.  • • **7**
