How to Fold the Books

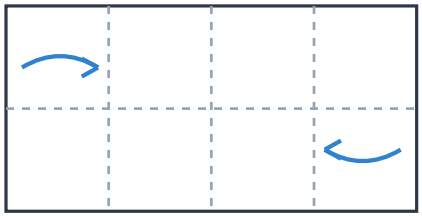

Each book is one sheet of paper. Here is how to fold it.

1

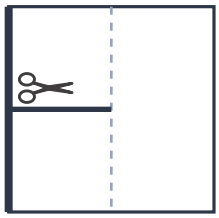

Fold in half the long way, with the pictures outside. Open it again.

2

Fold in half the short way. Then fold each end to the middle. Open it again.

3

the fold

Fold in half the short way. Cut on the solid line, from the fold to the next crease.

4

Open it. Fold it the long way again, with the cover outside.

5

Push the ends together, so the cut opens. Fold the pages round so the cover is on the front.
