

Taller, Shorter and Longer

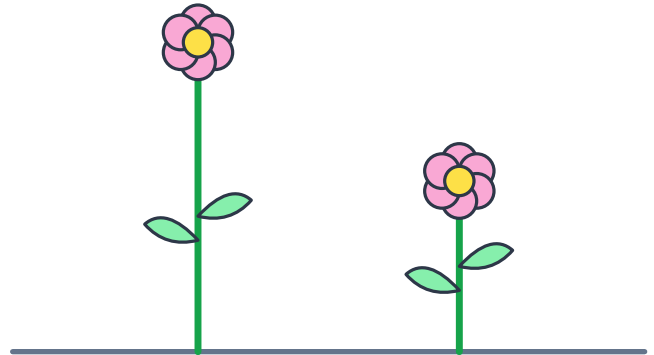

Circle the taller one.

1.

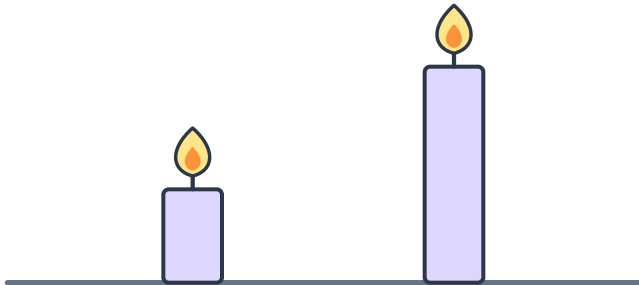

Example

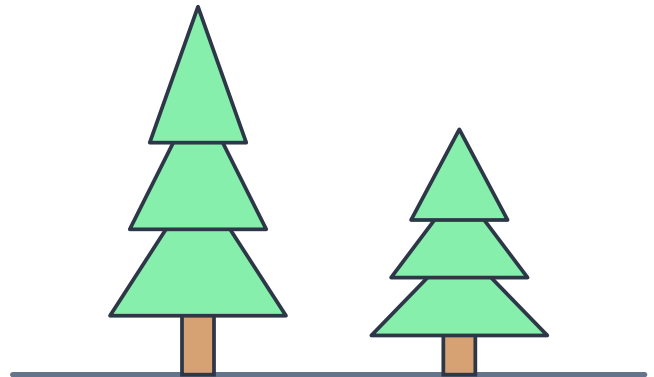

2.

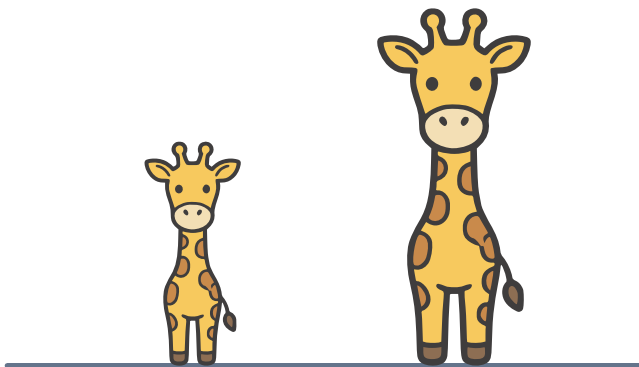

3.

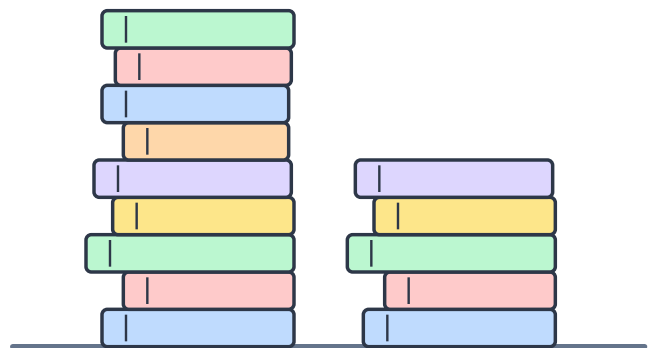

4.

5.

6.

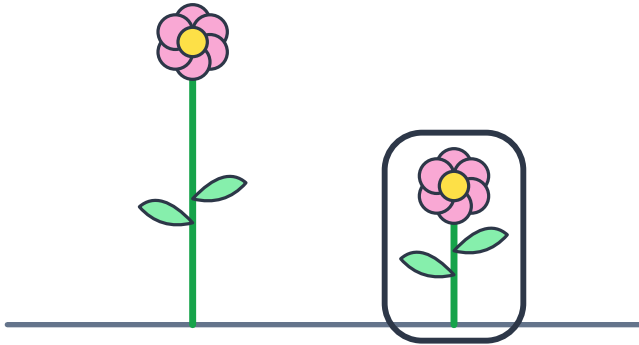

Taller, Shorter and Longer

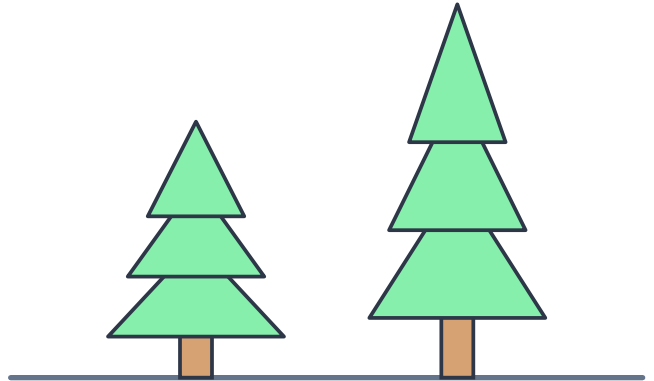

Circle the shorter one.

1.

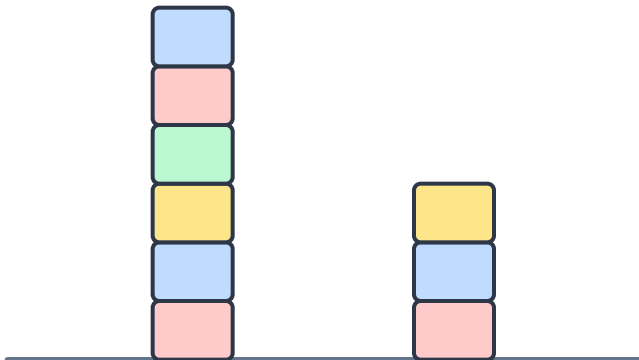

Example

2.

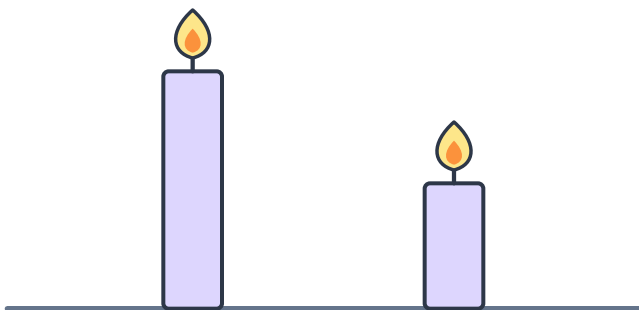

3.

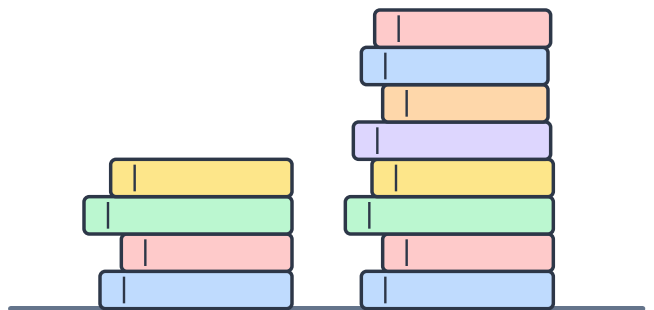

4.

5.

6.

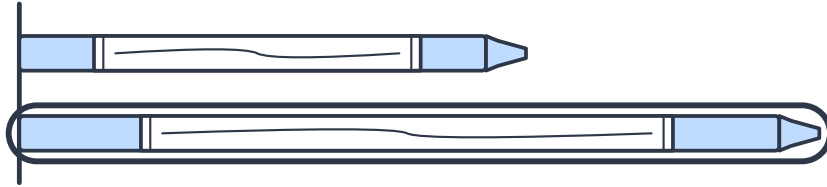

Taller, Shorter and Longer

Circle the longer one. Then circle the shorter one.

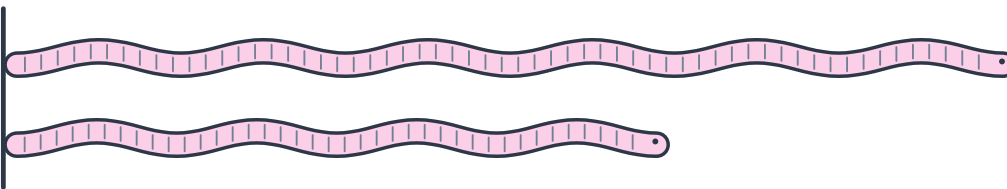

Circle the longer one.

1.

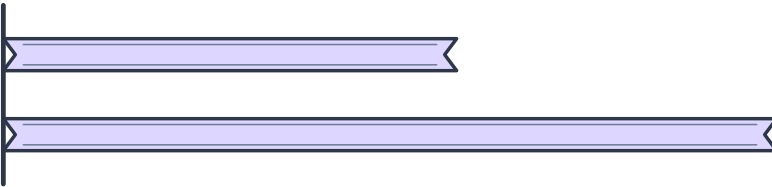

Example

2.

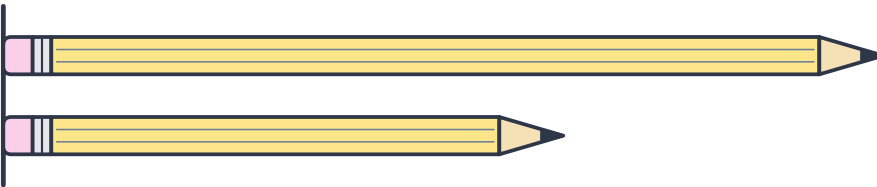

3.

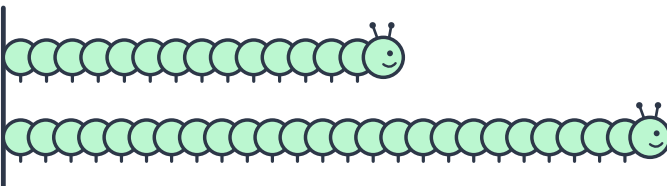

Circle the shorter one.

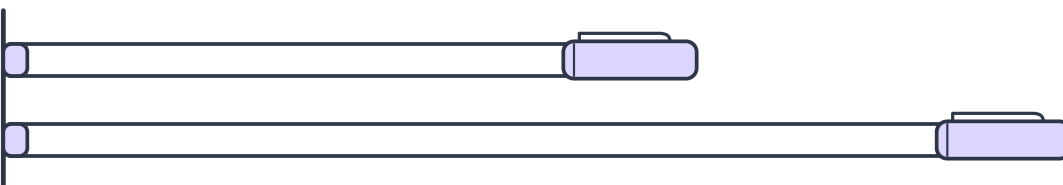

4.

5.

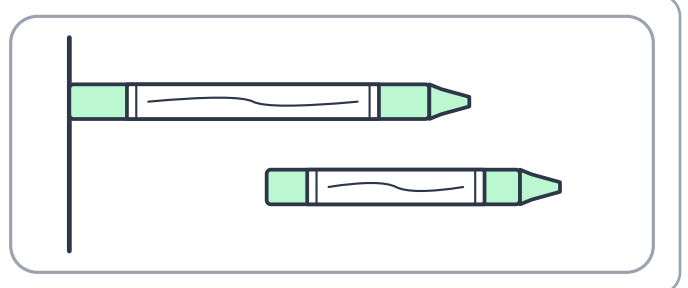

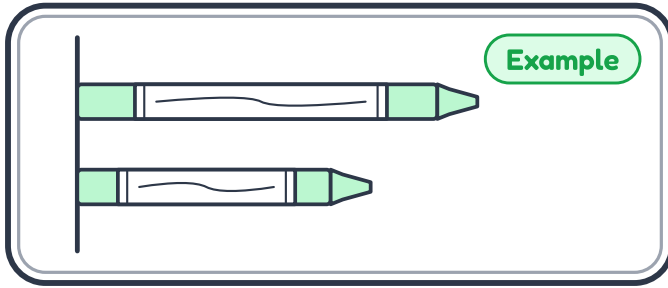

6.

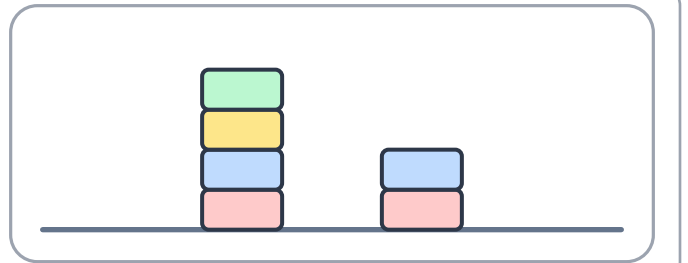

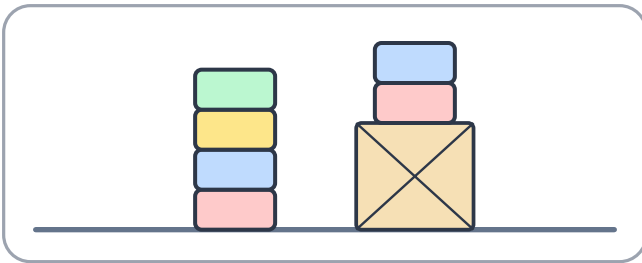

Taller, Shorter and Longer

Which way is fair? Circle the one where the ends line up.

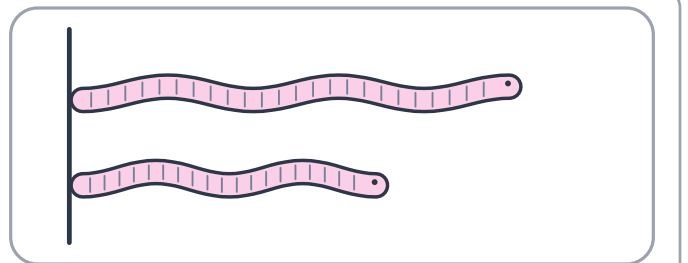

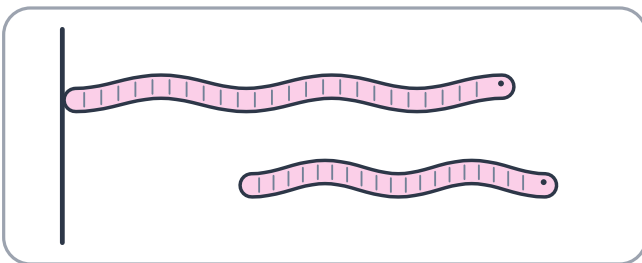

1.

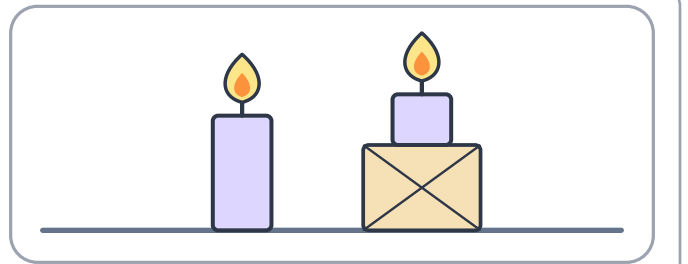

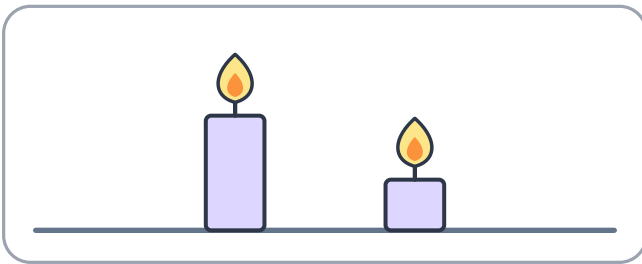

2.

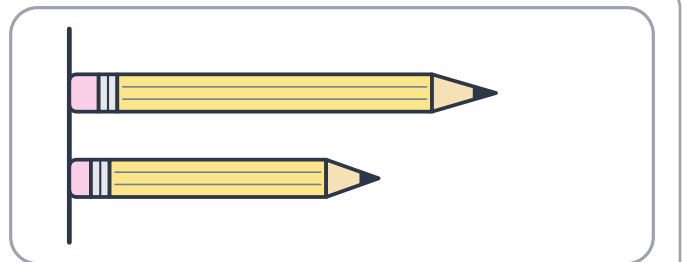

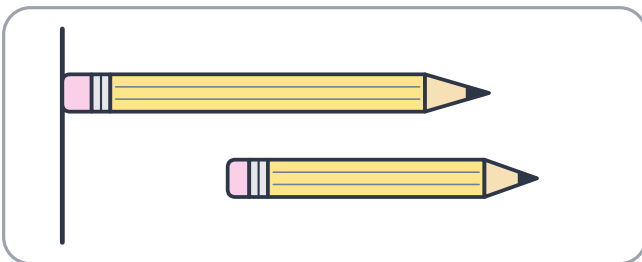

3.

4.

5.

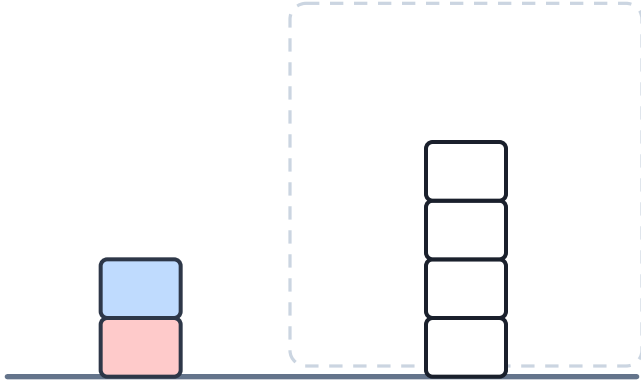

Taller, Shorter and Longer

Draw one that is taller, longer or shorter.

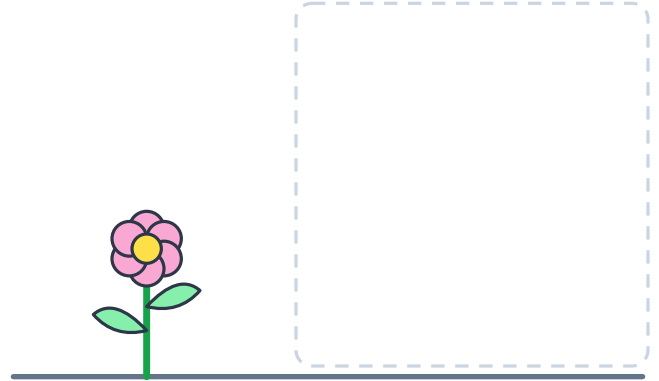

Draw one that is taller.

1.

Example

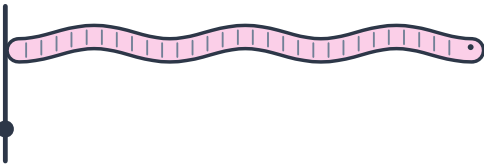

2.

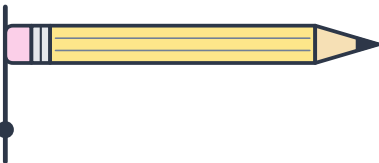

Draw one that is longer.

3.

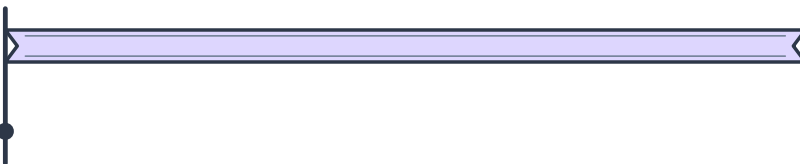

4.

Draw one that is shorter.

5.

6.

Taller, Shorter and Longer

What can we measure? Circle the word that fits.

1.

Example

tall

holds water

2.

long

holds water

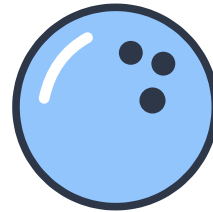

3.

heavy

long

4.

heavy

tall

5.

long

holds water

6.

heavy

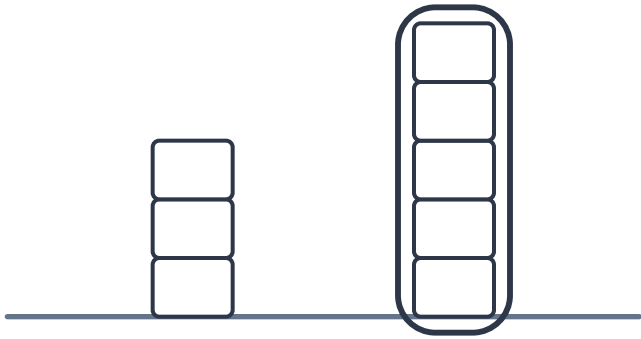

holds water

Taller, Shorter and Longer

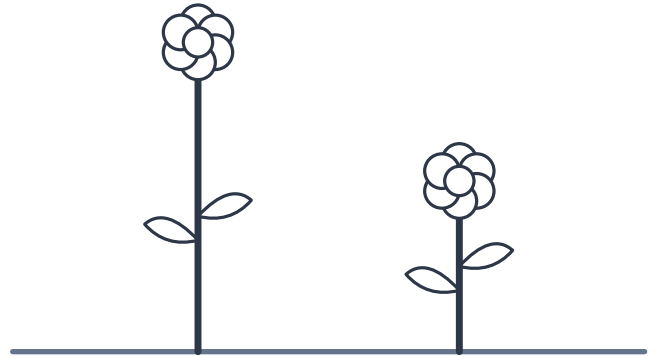

Circle the taller one.

1.

Example

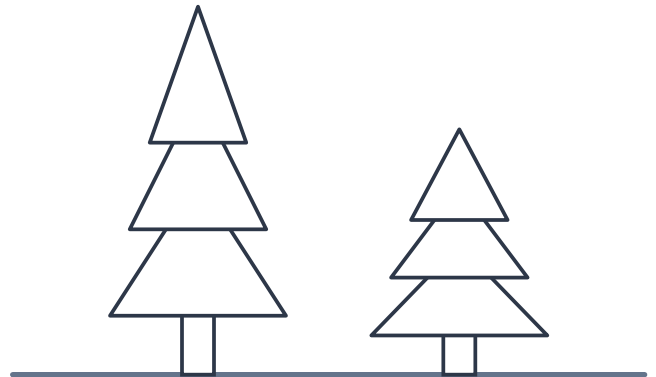

2.

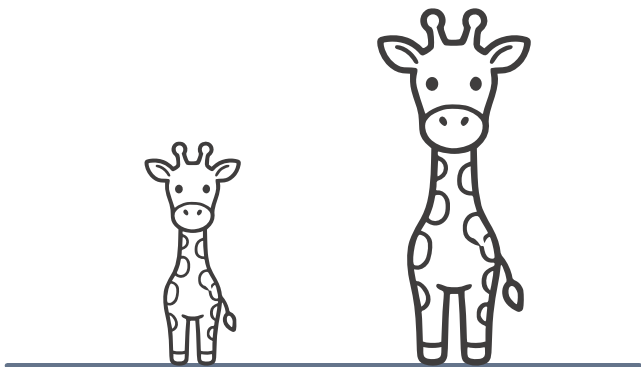

3.

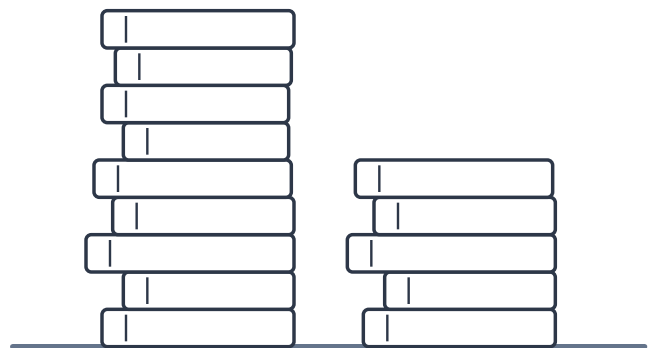

4.

5.

6.

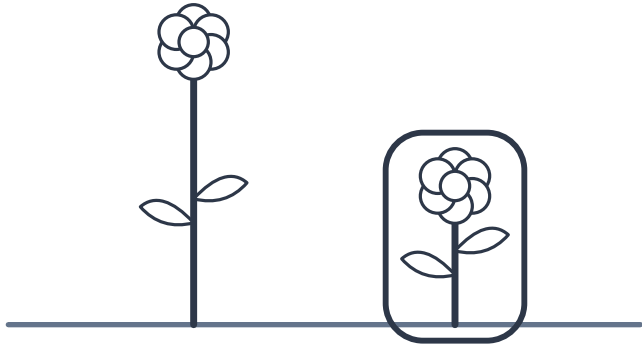

Taller, Shorter and Longer

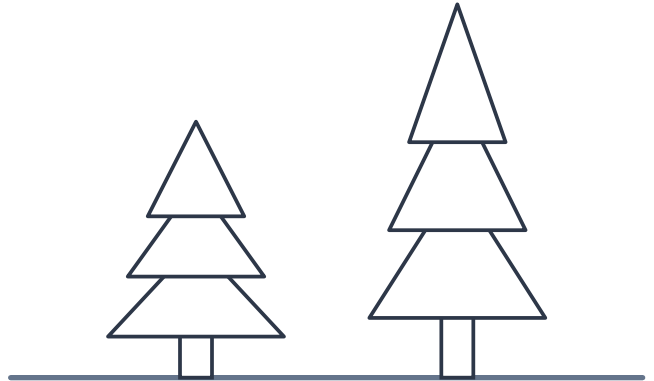

Circle the shorter one.

1.

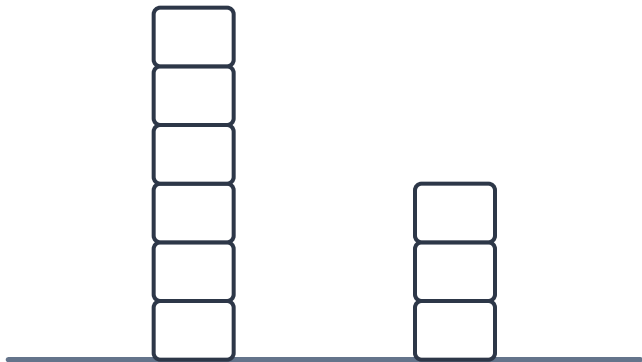

Example

2.

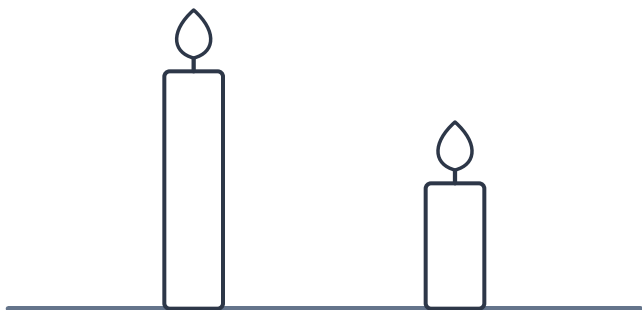

3.

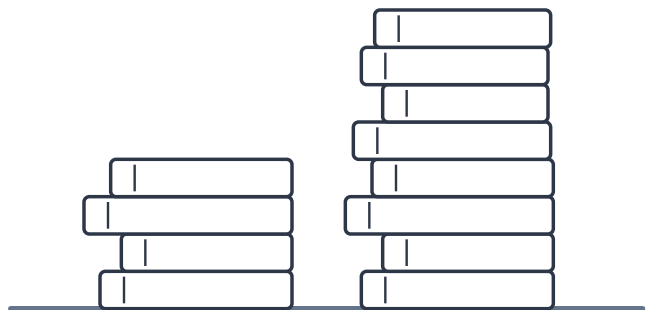

4.

5.

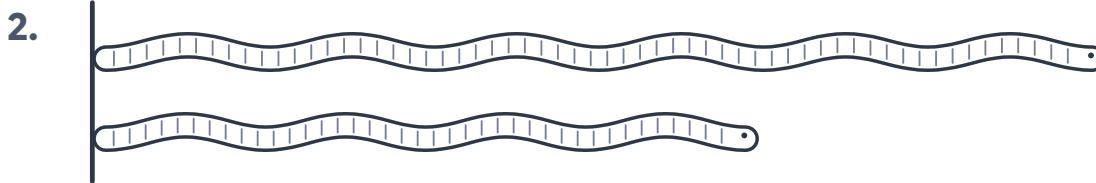

6.

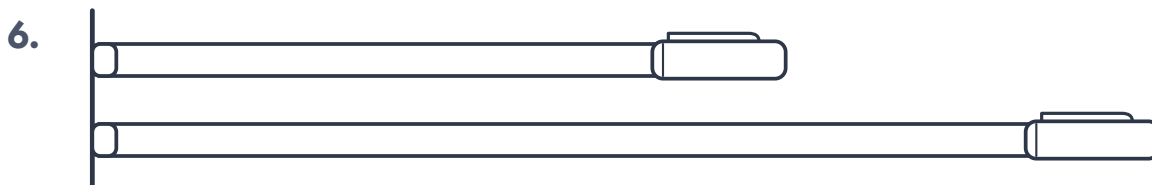

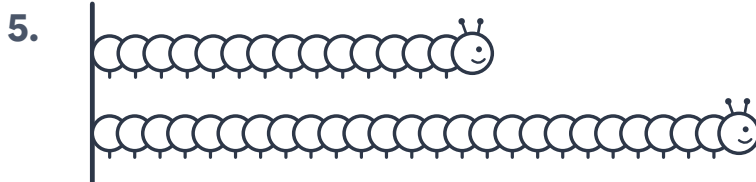

Taller, Shorter and Longer

Circle the longer one. Then circle the shorter one.

Circle the longer one.

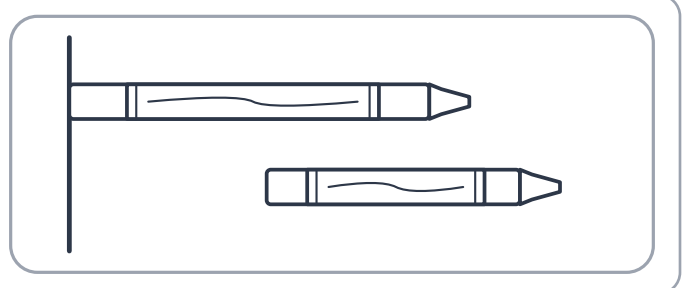

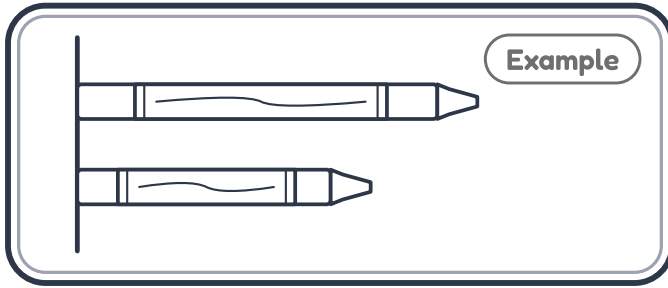

Circle the shorter one.

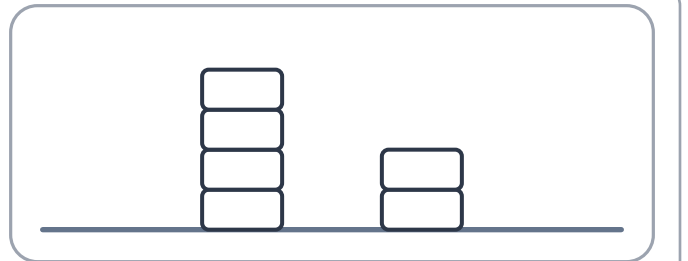

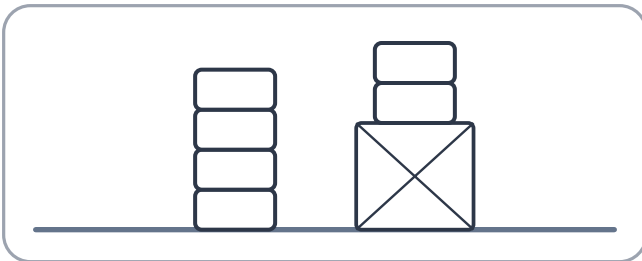

Taller, Shorter and Longer

Which way is fair? Circle the one where the ends line up.

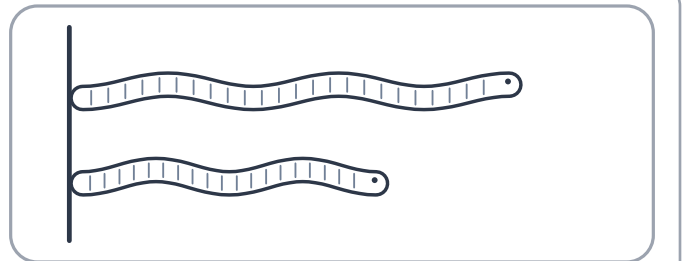

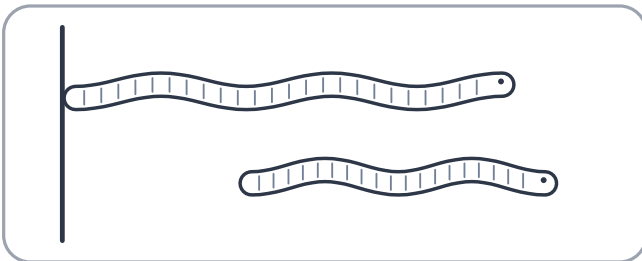

1.

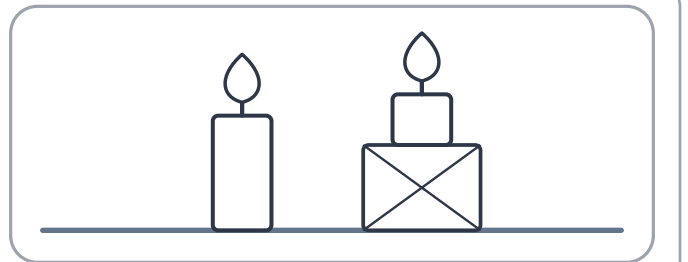

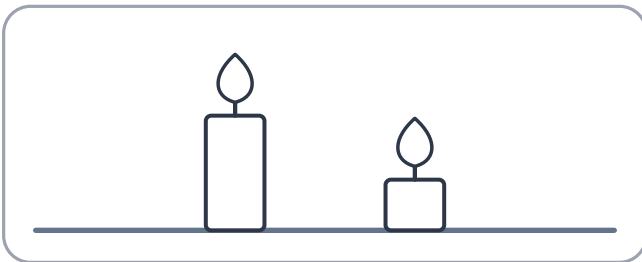

2.

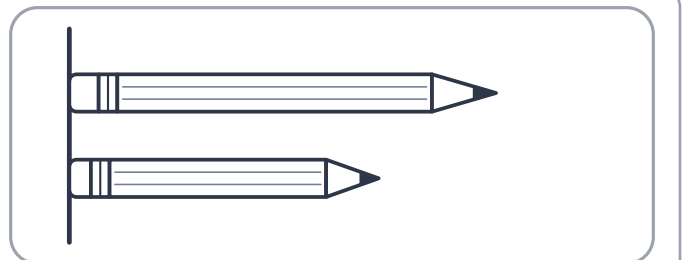

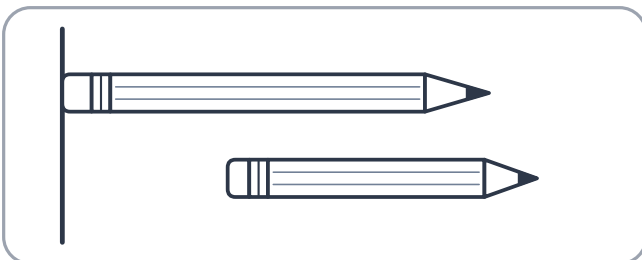

3.

4.

5.

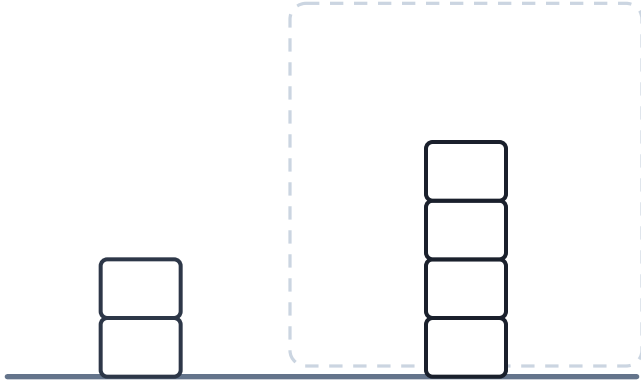

Taller, Shorter and Longer

Draw one that is taller, longer or shorter.

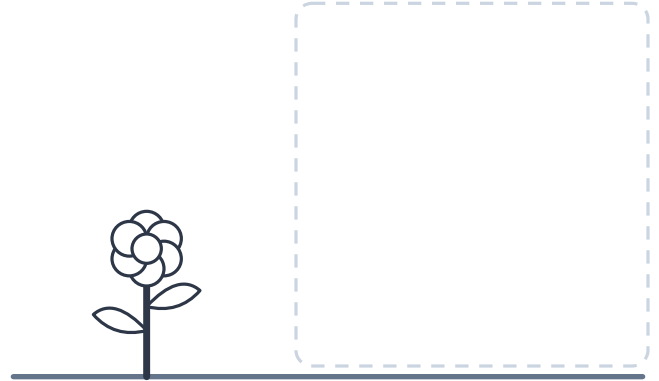

Draw one that is taller.

1.

Example

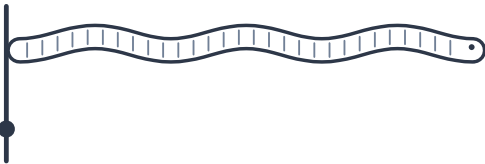

2.

Draw one that is longer.

3.

4.

Draw one that is shorter.

5.

6.

Taller, Shorter and Longer

What can we measure? Circle the word that fits.

1.

Example

tall

holds water

2.

long

holds water

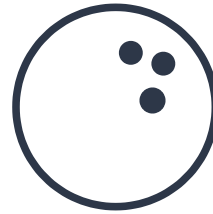

3.

heavy

long

4.

heavy

tall

5.

long

holds water

6.

heavy

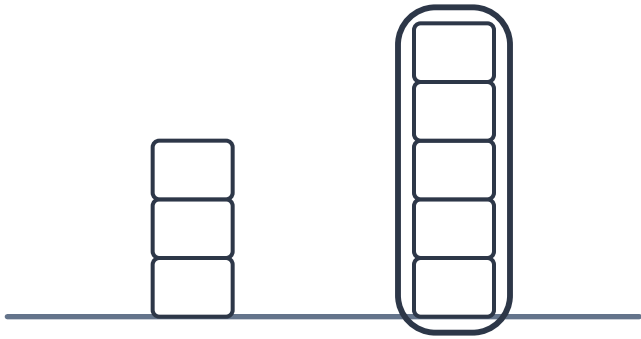

holds water

Taller, Shorter and Longer

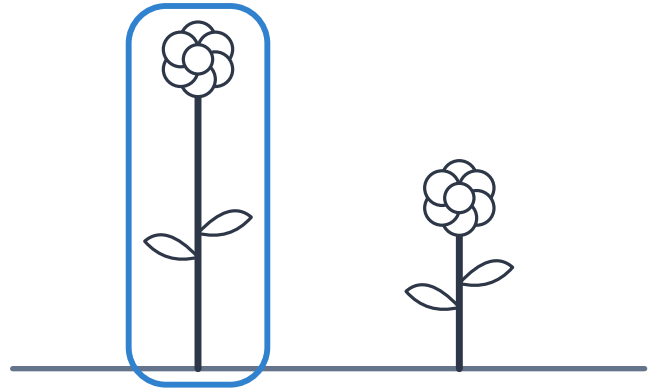

Circle the taller one.

1.

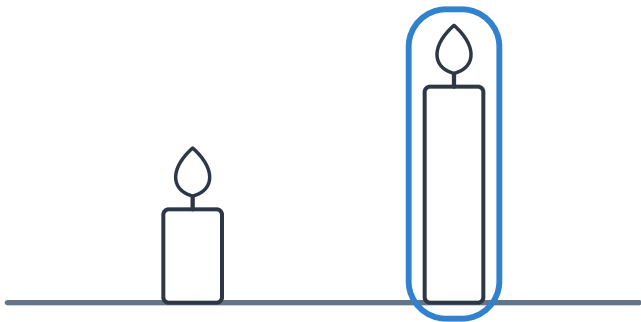

Example

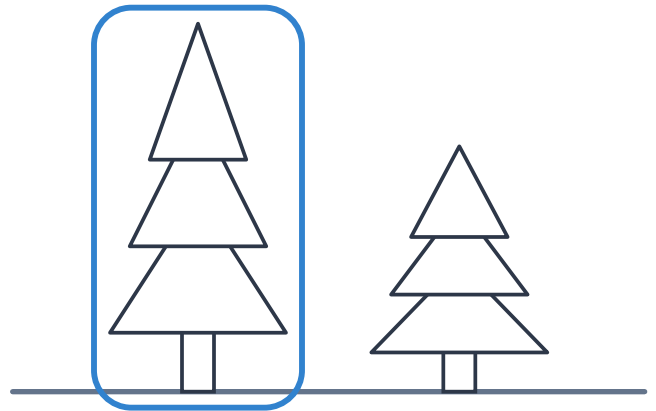

2.

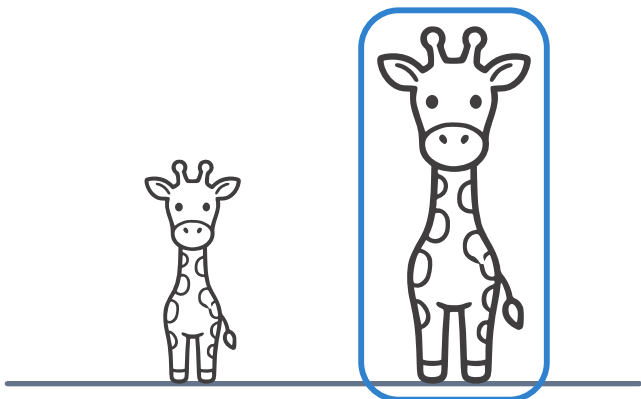

3.

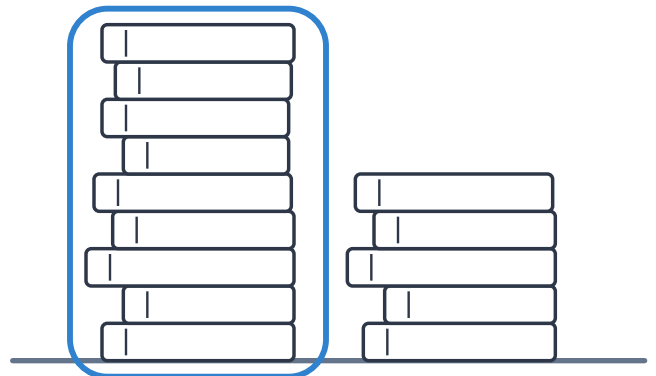

4.

5.

6.

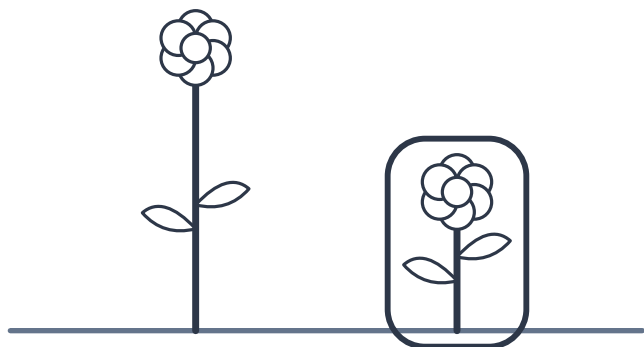

Taller, Shorter and Longer

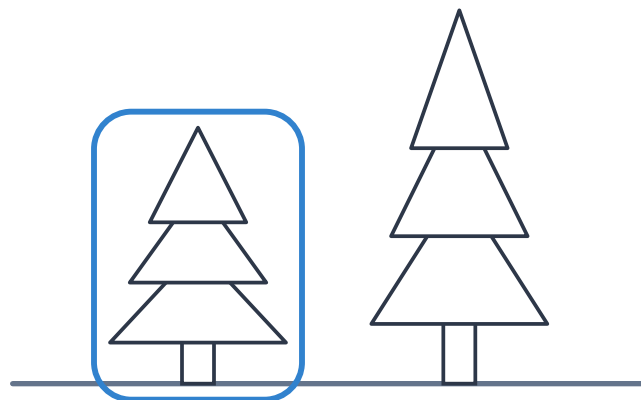

Circle the shorter one.

1.

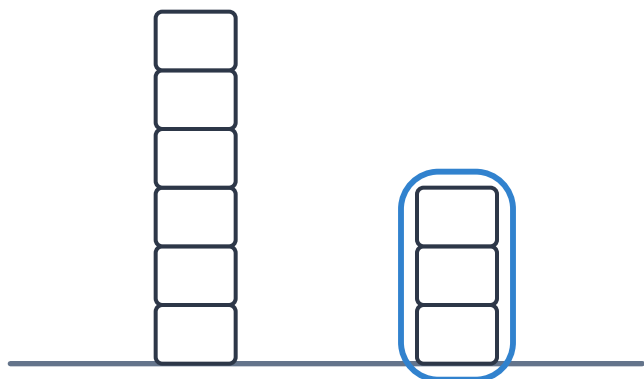

Example

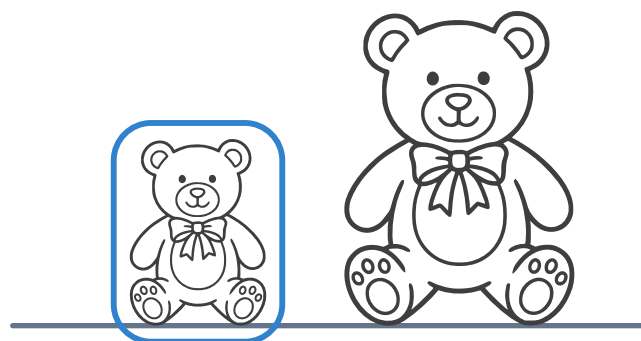

2.

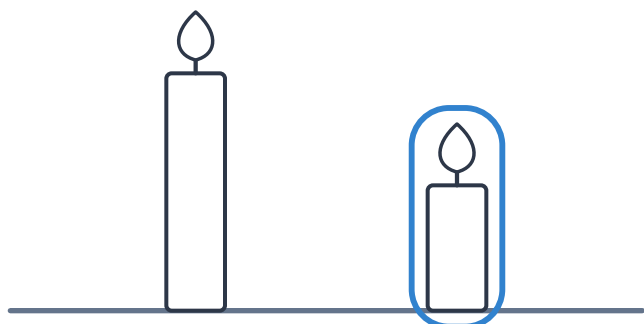

3.

4.

5.

6.

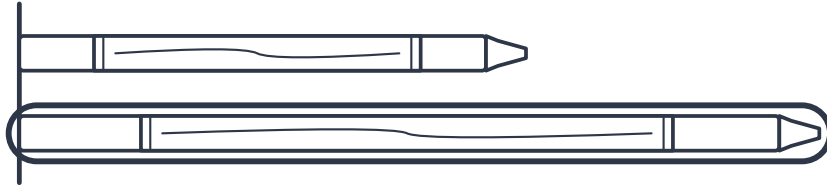

Taller, Shorter and Longer

Circle the longer one. Then circle the shorter one.

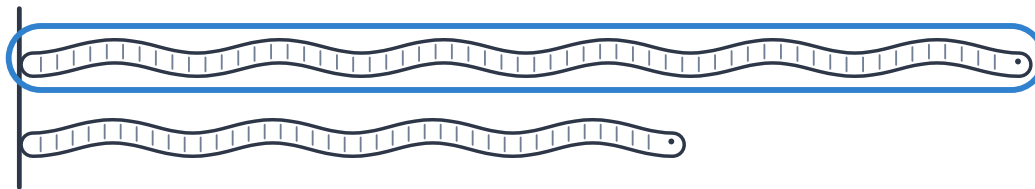

Circle the longer one.

1.

Example

2.

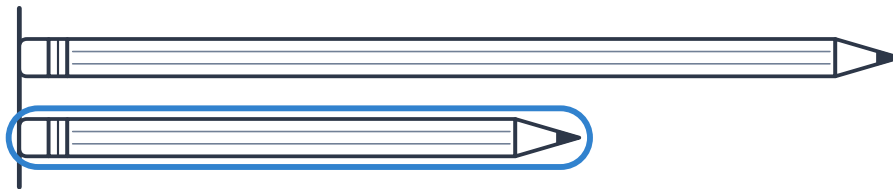

3.

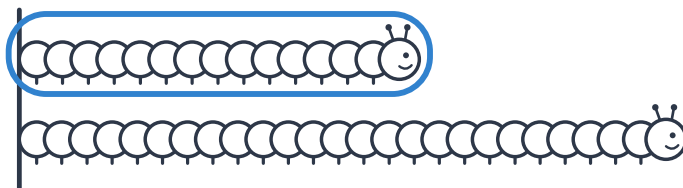

Circle the shorter one.

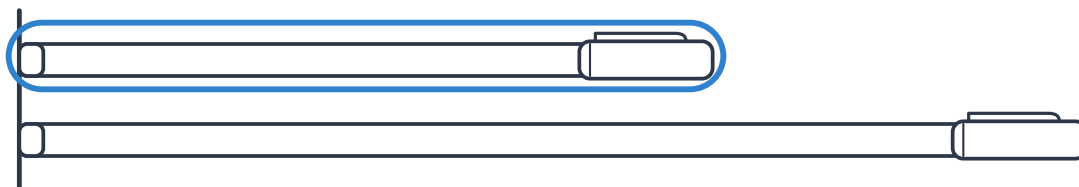

4.

5.

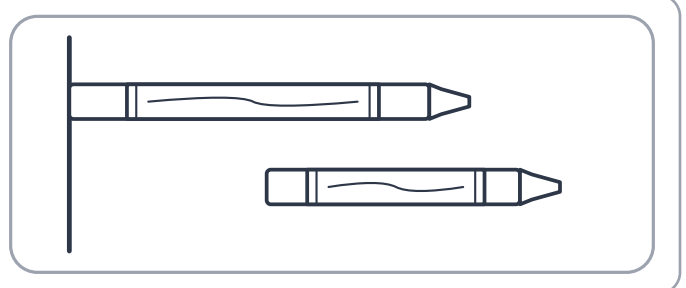

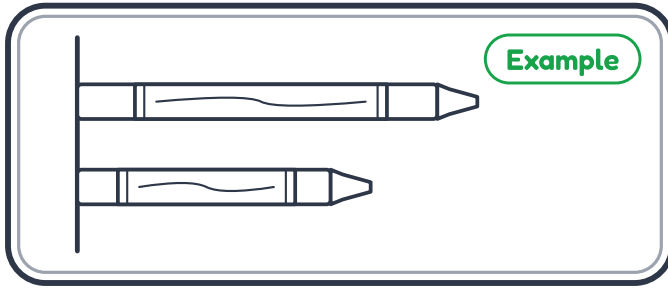

6.

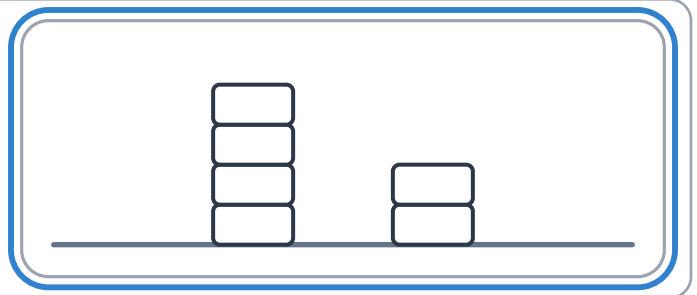

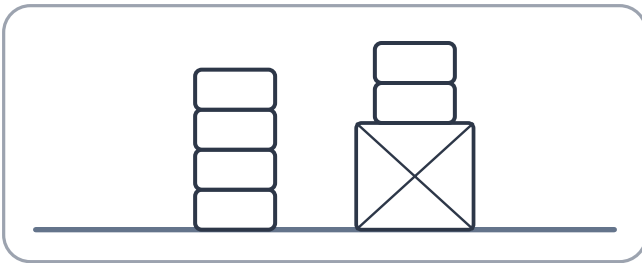

Taller, Shorter and Longer

Which way is fair? Circle the one where the ends line up.

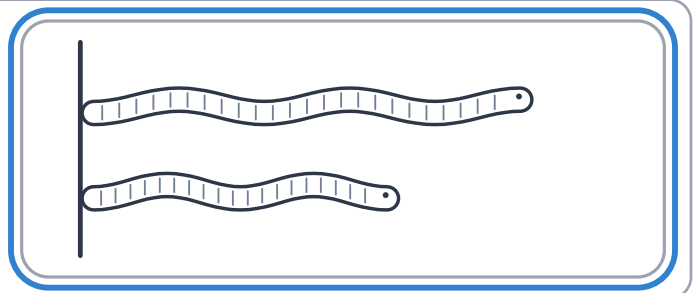

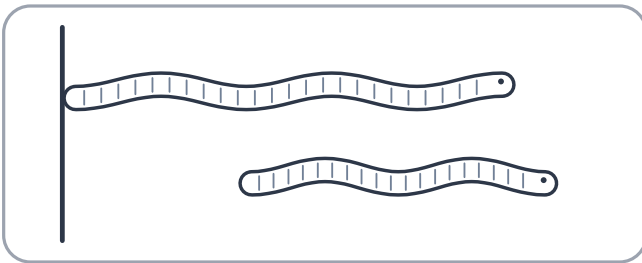

1.

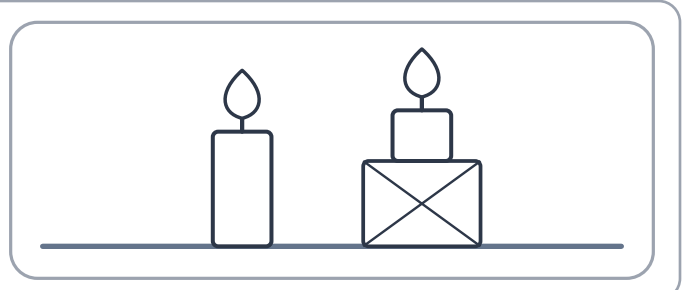

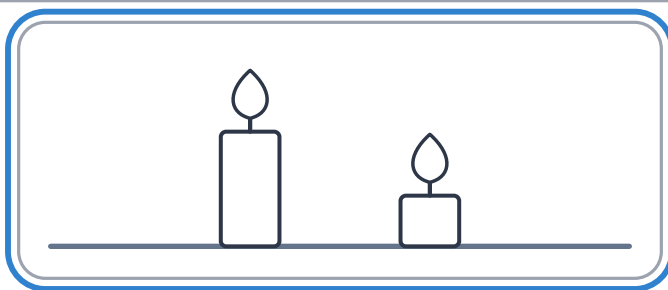

2.

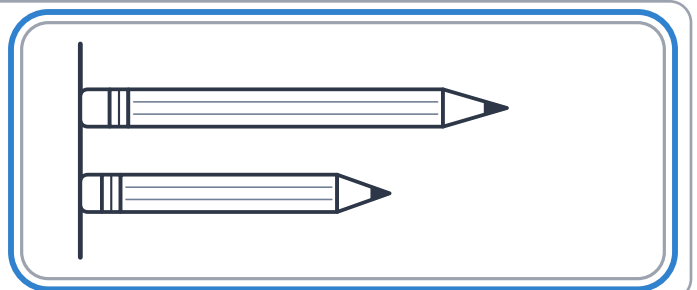

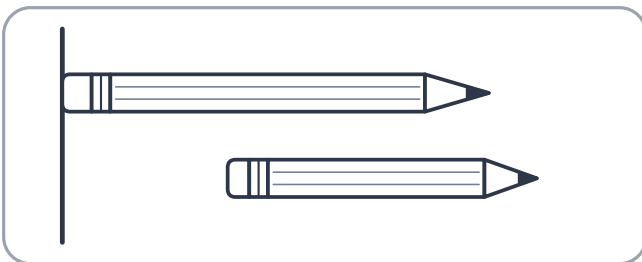

3.

4.

5.

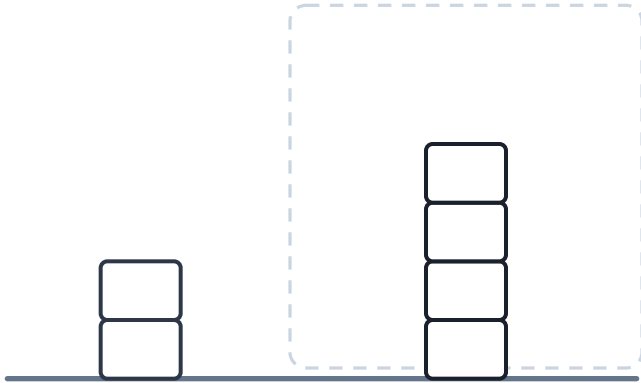

Taller, Shorter and Longer

Draw one that is taller, longer or shorter.

Draw one that is taller.

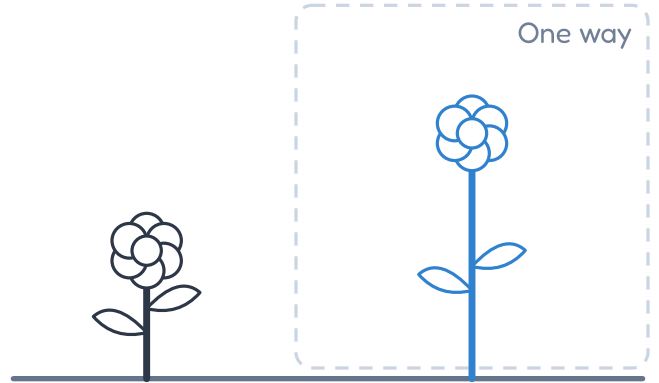

1.

Example

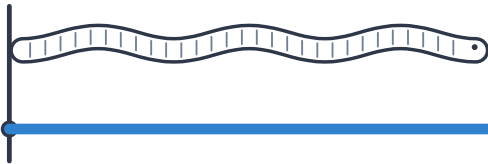

2.

One way

Draw one that is longer.

3.

One way

4.

One way

Draw one that is shorter.

5.

One way

6.

One way

Taller, Shorter and Longer

What can we measure? Circle the word that fits.

1.

Example

tall

holds water

2.

long

holds water

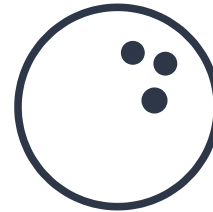

3.

heavy

long

4.

heavy

tall

5.

long

holds water

6.

heavy

holds water
