Check Register

Write each check and deposit. Then find the new balance.

Remember

A check register is a record of every check you write and every deposit. Subtract each **check** (–). Add each **deposit** (+). For a deposit, write DEP.

What Mr. Park did in May

- May 1: check 401 to Garden Center, \$46.00
- May 3: deposit, paycheck, \$350.00
- May 6: check 402 to City Water, \$38.25
- May 9: check 403 to Book Nook, \$24.50
- May 14: deposit, birthday gift, \$50.00
- May 20: check 404 to Dentist, \$115.00
- May 27: check 405 to Pine School, \$12.00

Mr. Park's check register

No.	Date	To or from	Check (–)	Deposit (+)	Balance
		Starting balance			\$520.00
401	May 1	Example Garden Center	\$46.00		\$474.00

Use the register.

1. Checks in all: _____
2. Deposits in all: _____
3. On May 28, can Mr. Park write a check for \$700.00? **yes** **no**

Parts of a Check

Write the name of each numbered part. Use the word bank.

Remember

A check tells your bank to pay money from your checking account.
The person or business that gets the money is the **payee**.

Rosa wrote this check to pay for summer camp.

1 215

2 Date June 2, 2026
